Federal Energy Regulatory Commission

[Docket No. CP95-136-000]

Florida Gas Transmission Co.; Notice of Request Under Blanket Authorization

December 30, 1994.

Take notice that on December 27, 1994, Florida Gas Transmission Company (FGT), 1400 Smith Street, Houston, Texas 77002, filed in Docket No. CP95-136-000 a request pursuant to Sections 157.205 and 157.212 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and 157.212) for authorization to construct and operate a new bi-directional meter station and approximately 800 feet of 12-inch lateral line connecting to FGT's 30-inch mainline in Mobile County, Alabama, to accommodate natural gas deliveries to and from Bay Gas Storage Company, Ltd. (Bay Gas), under FGT's blanket certificate issued in Docket No. CP82-553-000 pursuant to Section 7 of the Natural Gas Act, all as set forth in the request which is on file with the

Commission and open to public inspection.

FGT states that Bay Gas has requested FGT to construct and operate a new bi-directional meter station and approximately 800 feet of 12-inch lateral to accommodate the transportation of natural gas, to and from Bay Gas's existing 20-inch pipeline that leads to the McIntosh underground storage cavern. FGT states that the maximum gas quantity that FGT will deliver into the subject meter station is 75,000 MMBtu per day; and 27,375,000 MMBtu per year. FGT states that the proposed gas quantity has no incremental affect on FGT and therefore, will not impact its peak day and annual gas deliveries. FGT states that Bay Gas shall reimburse FGT for all construction costs; approximately \$285,000.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the National Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity is deemed to be authorized effective on the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

Lois D. Cashell,

Secretary.
