SUPPLEMENTARY INFORMATION: The John Heinz Neighborhood Development Program is authorized by section 123 of the Housing and Urban-Rural Recovery Act of 1983 (42 U.S.C. 5318 note). For Fiscal Year 1994, a total of \$5 million was appropriated for this program under the Department of Veterans Affairs and Housing and Urban Development and Independent Agencies Appropriations Act of 1994 (Pub. L. 103-124, approved October 18, 1993).

On May 13, 1994 (59 FR 25274), HUD published a NOFA for the John Heinz Neighborhood Development Program. The May 13, 1994 NOFA announced the availability of \$4.75 million in funding for eligible neighborhood development organizations. The NOFA stated that the purpose of the program is to support eligible neighborhood development activities using cooperative efforts and monetary contributions from local sources. The Federal funds are incentive funds to promote the development of this concept and encourage neighborhood organizations to become more self-sufficient in their development activities. Funds would be used to plan and carry out specific projects which create permanent jobs in the neighborhood; establish or expand businesses; develop new housing, rehabilitate existing housing or manage housing stock; develop essential services; or provide neighborhood improvement efforts.

In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989, the Department is publishing the names and addresses of the nonprofit organizations which received funding under this NOFA, and the amount of funds awarded to each. This information is provided in Appendix A to this document.

Dated: December 12, 1994.
