

that Texas has applied for this use of propazine on sorghum under section 18 of FIFRA. Texas was issued exemptions for this use for the past two growing seasons.

This notice does not constitute a decision by EPA on the application itself. The regulations governing section 18 require publication of a notice of receipt of an application for a specific exemption proposing use of a new chemical (i.e., an active ingredient not contained in any currently registered pesticide). Such notice provides for opportunity for public comment on the application. Accordingly, interested persons may submit written views on this subject to the Field Operations Division at the address above.

The Agency, accordingly, will review and consider all comments received during the comment period in determining whether to issue the emergency exemption requested by the Texas Department of Agriculture.

### FEDERAL TRADE COMMISSION

[Docket No. 9271]

#### B.A.T. Industries p.l.c., et al.; Proposed Consent Agreement With Analysis To Aid Public Comment

**AGENCY:** Federal Trade Commission.

**ACTION:** Proposed Consent Agreement.

**SUMMARY:** In settlement of alleged violations of federal law prohibiting unfair acts and practices and unfair methods of competition, this consent agreement, accepted subject to final Commission approval, would permit, among other things, B.A.T. Industries and Brown & Williamson Tobacco Corporation to consummate the proposed acquisition of American Tobacco Company, but would require them to divest, within twelve months, six American Tobacco discount cigarette brands. If the required divestitures are
