reservation surcharge applicable to its current firm customers.

Without prejudice to its request for rehearing, Southern is filing the tariff sheets referenced herein to amend Section 32 of the General Terms and Conditions of its Tariff effective November 1, 1994 in compliance with the Commission's November 30 Order to reflect a demand surcharge for each of its stranded costs, i.e. Account No. 858 costs and Southern Energy LNG minimum bill costs. Billing Determinants for these stranded costs are set forth on Sheet Nos. 29-31 and 32-34, respectively.

Southern states that copies of the filing were served upon Southern's intervening customers and interested state commissions.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street NE., Washington, DC 20426, in accordance with Rule 211 of the Commission's Rules of Practice and Procedure.
