

Program (EA) and the Job Opportunities and Basic Skills Training Program (JOBS) under Title IV-A of the Social Security Act. OFA develops, recommends and issues policies, procedures and interpretations to provide direction to these programs. It develops and implements standards and policies for regulating integrated quality control activities of the Department and the operating Divisions. The Office provides technical assistance to states and assesses their performance in administering these programs, reviews state planning for administrative and operational improvements, and recommends actions to improve effectiveness. It directs reviews, provides consultations and conducts necessary negotiations to achieve adherence to federal law and regulations in state plans for public assistance program administration.

b. KH.20 Functions. Delete paragraph E in its entirety, and replace it with the following:

E. Division of JOBS Program provides direction and technical guidance in the nationwide administration of the Job Opportunities and Basic Skills Training (JOBS) Program under Title IV-A of the Social Security Act. The Division proposes and implements national policy for JOBS and title IV-A; develops regulations to implement new legislation; and prepares policy interpretations as necessary. The Division develops and implements strategies to assist States, Indian tribes, and Alaska Native organizations in establishing, expanding, and/or improving their JOBS programs. It provides oversight of technical assistance contracts, identification of successful practices, and information exchange through conferences, technology transfers, publications and resource networks. The Division monitors state compliance with federal laws and regulations, and promotes cross-program policy initiatives to support ACF objectives.

Fernald Dosimetry Reconstruction Project Workshop: Public Meeting

The National Center for Environmental Health (NCEH), Centers for Disease Control and Prevention (CDC), and the Radiological

Assessments Corporation (RAC) announce the following meeting.

Name: Fernald Dosimetry Reconstruction Project Workshop.

Time and date: 7 p.m.-9 p.m., January 18, 1995.

Place: Sheraton Springdale Hotel, 11911 Sheraton Lane, Springdale, Ohio 45246.

Status: Open to the public for observation and comment, limited only by space available. The meeting room accommodates approximately 75-100 people.

Purpose: Under the Memorandum of Understanding with the Department of Energy (DOE), the Department of Health and Human Services has been given the responsibility and resources for conducting analytic epidemiologic investigations of residents of communities in the vicinity of DOE facilities and other persons potentially exposed to radiation or to potential hazards from non-nuclear energy production and use. The purpose of the workshop is: (1) to discuss the review by the National Academy of Sciences on the RAC Task 4 Methodology Report; and (2) to describe how the comments received on the draft Task 2 and 3 Source Term Report have been addressed in the final report. In addition, CDC and the Agency for Toxic Substances and Disease Registry will discuss options for further involving communities in their work.

Agenda items are subject to change as priorities dictate.

Contact person for more information: Steven A. Adams, Radiation Studies Branch, Division of Environmental Hazards and Health Effects, NCEH, CDC, 4770 Buford Highway, NE, (F-35), Atlanta, Georgia 30341-3724, telephone 404/488-7040.

Dated: January 4, 1995.

William H. Gimson,

Acting Associate Director for Policy Coordination, Centers for Disease Control and Prevention (CDC).

Current Status of the Vessel Sanitation Program and Experience to Date with Program Operations; Public Meeting

The National Center for Environmental Health (NCEH) of the Centers for Disease Control and Prevention (CDC) announces the following meeting.

Name: Current Status of the Vessel Sanitation Program (VSP) and Experience to Date with Program Operations—Public meeting between CDC and the cruise ship industry, private sanitation consultants, and other interested parties.

Time and Date: 9 a.m.-4 p.m., Wednesday, January 25, 1995.

Place: Doral Inn, 541 Lexington Avenue at East 49th Street, New York, New York 10022, telephone 212/755-1200.

Status: Open to the public for participation, comment, and observation, limited only by space available.

Purpose: To discuss current status of the VSP and experience to date with program operations.

Matters to be discussed: During the past 8 years, as part of the revised VSP, CDC has conducted a series of public meetings with members of the cruise ship industry, private sanitation consultants, and other interested parties. This meeting is a continuation of that series of public meetings. Some of the topics to be discussed at this meeting include CDC's interim recommendations to minimize transmission of Legionnaires' disease from whirlpool spas aboard cruise ships, the VSP budget and fees, shipbuilding construction guidelines for cruise vessels destined to call on U.S. ports, the CDC consumer advisory for consumption of raw or undercooked food, and vessel construction inspections.

For a period of 15 days following the meeting, through February 9, 1995, the official record of the meeting will remain open so that additional material or comments may be submitted to be made part of the record of the meeting.

Contact person for more information: Thomas E. O'Toole, Deputy Chief, Special Programs Group (F29), NCEH, CDC, 4770 Buford Highway, NE, Atlanta, Georgia 30341-3724, telephone 404/488-7073.

Dated: January 4, 1995.

William H. Gimson,

Acting Associate Director for Policy Coordination, Centers for Disease Control and Prevention (CDC).

Food and Drug Administration

[Docket No. 94N-0285]

Andrew Morris; Debarment Order

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice.

SUMMARY: The Food and Drug Administration (FDA) is issuing an order under the Federal Food, Drug, and Cosmetic Act (the act) permanently debarring Mr. Andrew Morris, 5731 Laurel Hill Dr., Indianapolis, IN 46226, from providing services in any capacity to a person that has an approved or pending drug product application. FDA bases this order on a finding that Mr. Morris was convicted of a felony under Federal law for conduct relating to the development or approval, including the process for development or approval, of a drug product; and relating to the regulation of a drug product under the act. Mr. Morris has notified FDA that he acquiesces to debarment and, therefore, has waived his opportunity for a hearing concerning this action.

EFFECTIVE DATE: May 16, 1994.

ADDRESSES: Application for termination of debarment to the Dockets
