BILLING CODE 6450-01-M

Morgantown Energy Technology Center; Notice of Intent To Grant Partially Exclusive Patent License

AGENCY: Department of Energy (DOE), Morgantown Energy Technology Center (METC).

ACTION: Notice.

SUMMARY: Notice is hereby given of an intent to grant to Industrial Filter and Pump Manufacturing Company of Cicero, Illinois, a partially exclusive license to practice, limited to applications in the chemical process industry, the invention described in U.S. Patent No. 5,167,676, titled "Apparatus and Method for Removing Particulate Deposits From High Temperature Filters."

The Department may grant exclusive or partially exclusive licenses in Department-owned inventions, if it determines that the desired practical application of the invention has not been achieved, or is not likely expeditiously to be achieved, under a nonexclusive license.

DATE: Written comments or nonexclusive license applications are to be received at the address listed below no later than March 13, 1995.

ADDRESSES: Technology Transfer Program Division, U.S. Department of Energy, Morgantown Energy Technology Center, P.O. Box 880, Morgantown, WV 26505.

FOR FURTHER INFORMATION: Lisa A. Jarr, Technology Transfer Program Division, U.S. Department of Energy, Morgantown Energy Technology Center, P.O. Box 880, Morgantown, WV 26505-0880, Telephone: (304) 285-4555.

SUPPLEMENTARY INFORMATION: Industrial Filter and Pump Manufacturing Company of Cicero, Illinois, has applied for a partially exclusive license to practice the invention embodied in U.S. Patent No. 5,167,676, and has a plan for commercialization of the invention.

The invention is owned by the United States of America, as represented by the Department of Energy (DOE). The proposed license will be partially exclusive, subject to a license and other rights retained by the U.S. Government, and other terms and conditions to be negotiated. DOE intends to grant the license, upon a final determination in accordance with 35 U.S.C. 209(c), unless within 60 days of this notice the Technology Transfer Program Division, Department of Energy, Morgantown Energy Technology Center, Morgantown, WV 26505, receives in writing any of the following, together with supporting documents:

- (i) A statement from any person setting forth reasons why it would not be in the best interest of the United States to grant the proposed license; or
- (ii) An application for a nonexclusive license to the invention, in which applicant states that it already has brought the invention to practical application or is likely to bring the invention to practical application expeditiously, for application in the chemical process industry.

The proposed license will be partially exclusive, i.e. limited to application in the chemical process industry, subject to a license and other rights retained by the U.S. Government, and subject to a negotiated royalty. The Department will review all timely written responses to this notice, and will grant the license if, after expiration of the 60-day notice period, and after consideration of written responses to this notice, a determination is made, in accordance with 35 U.S.C. 209(c), that the license grant is in the public interest.

Issued in Washington, DC, this 4th day of January, 1995.

Thomas F. Bechtel,

Director, METC.
