**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration, (NOAA), Commerce.

**ACTION:** Notification of commercial quota transfer.

**SUMMARY:** NMFS announces that the State of Maryland is transferring 50,000 lb (22,680 kg) of commercial summer flounder quota to the State of New York. NMFS announces the adjustment of these states' quotas.

**EFFECTIVE DATE:** December 30, 1994.

**FOR FURTHER INFORMATION CONTACT:** Hannah Goodale, 508-281-9101.

**SUPPLEMENTARY INFORMATION:** Regulations implementing Amendment 2 to the Fishery Management Plan for the Summer Flounder Fishery (FMP) are found at 50 CFR part 625. The

regulations require annual specification of a commercial quota that is apportioned among the coastal states from North Carolina through Maine. The process used to set the annual commercial quota, adjust for overages, and the percent allocated to each state is described in § 625.20.

Transfers of commercial quota are authorized under Amendment 5 to the FMP (58 FR 65936, December 17, 1993) which allows two or more states, under mutual agreement and with the concurrence of the Director, Northeast Region, NMFS, (Regional Director) to transfer or combine summer flounder commercial quota. The Regional Director is required to consider the criteria set forth in § 625.20(f)(1) in the evaluation of requests for quota transfers or combinations.

The Regional Director is further required to publish notification in the **Federal Register** advising a state, and notifying Federal vessel permit and dealer permit holders, that effective upon a specific date, a portion of a state's commercial quota has been transferred to or combined with the commercial quota of another state.

The States of Maryland and New York have mutually agreed to transfer 50,000 lb (22,680 kg) of 1994 commercial quota from Maryland to New York, and the Regional Director has concurred.

The Regional Director has determined that the criteria set forth in § 625.20(f) have been met, and publishes this

notification of quota transfer. This action revises the quotas for the calendar year 1994.

**Classification**

This action is taken under 50 CFR part 625 and is exempt from review under E.O. 12866.
