IV. Regulatory Impact Statement

We generally prepare a regulatory flexibility analysis that is consistent with the Regulatory Flexibility Act (RFA) (5 U.S.C. 601 through 612), unless the Administrator certifies that a notice would not have a significant economic impact on a substantial number of small entities. For purposes of a RFA, States and individuals are not considered small entities. However, providers are considered small entities. Additionally, section 1102(b) of the Act requires the Secretary to prepare a regulatory impact analysis if a notice may have a significant impact on the operations of a substantial number of small rural hospitals. Such an analysis must conform to the provisions of section 604 of the RFA. For purposes of section 1102(b) of the Act, we define a small rural hospital as a hospital that is located outside of a Metropolitan Statistical Area and has fewer than 50 beds.

This notice does not contain rules; rather, it reflects the DSH allotments for each State as determined in accordance with §§ 447.297 through 447.299.

We have discussed the method of calculating the preliminary FFY 1995 national aggregate DSH target and the preliminary FFY 1995 individual State DSH allotments in the previous sections of this preamble. These calculations should have a positive impact on payments to DSHs. Allotments will not be reduced for high-DSH States since we are now interpreting the 12-percent limit as a target. Low-DSH States will get their base allotments plus their growth amounts.

In accordance with the provisions of Executive Order 12866, this notice was reviewed by the Office of Management and Budget.

SUPPLEMENTARY INFORMATION: In accordance with the final rule published in the **Federal Register** on September 22, 1994 (59 FR 48726) (Mortgage Sale Regulations), and specifically with § 290.202 of that rule (59 FR 48731), the Department announces its intention to sell nonperforming, unsubsidized mortgage loans (Mortgage Loans). The first of these Mortgage Loans encumber properties located in the southeastern United States (Southeast Mortgage Sale). A final listing of the specific properties involved in the Southeast Mortgage Sale will be included in the Bid Package. The Mortgage Loans will be sold without Federal Housing Administration (FHA) insurance. The Department will offer interested parties an opportunity to bid competitively on the Mortgage Loans. Bids may be offered for one or all of the Mortgage Loans, as well as for any combination of Mortgage Loans. The Department will accept those bids that optimize the gross proceeds from the sale.

The Bidding Process

The Department will describe the procedure for participating in the Southeast Mortgage Sale in a Bid Package, which will include a standardized nonnegotiable loan sale agreement (Sales Agreement), as well as pertinent information concerning each of the Mortgage Loans, such as the unpaid principal balance and interest rate. The Department will distribute the Bid Package for a period of 6 weeks prior to the date that bids are due (Bid Date). Bid Packages will be available in February 1995. Interested parties may request a Bid Package by sending a written notice to the address specified in the **ADDRESSES** section, above, of this notice.

If a bidder submits multiple bids, the additional deposit will be limited to 5 percent of the bidder's largest bid amount. The Department will assign its interest in a Mortgage Loan to a successful bidder 60 days after the Award Date. If the successful bidder fails to abide by the terms of the Sales Agreement, including paying the Department any remaining sums due pursuant to the Sales Agreement and closing within the time period provided by the Sales Agreement, the Department shall retain and accept as liquidated damages any deposit from the successful bidder.

Due Diligence Facility

During the 6 week distribution period for Bid Packages, a due diligence facility will be available to interested parties, at which the Department will provide information such as environmental and title reports and market data. Persons or entities that are debarred from doing business with the Department, pursuant to 24 CFR part 24, may not participate in this sale.

These are the essential terms of sale; the Sales Agreement will provide additional details. To ensure a competitive bidding process, the terms of sale are not subject to negotiation.

This notice is to ensure compliance with the Mortgage Sale Regulations. These regulations were promulgated in consideration of the settlement that the Department entered into in *Walker v.
