**Texas Eastern Transmission Corp.; Notice of Proposed Changes in FERC Gas Tariff**

January 9, 1995.

Take notice that on January 3, 1995, Texas Eastern Transmission Corporation (Texas Eastern) tendered for filing as part of its FERC Gas Tariff, Sixth Revised Volume No. 1, the following tariff sheets:

Second Sub First Revised Sheet No. 503  
Second Sub First Revised Sheet No. 504

Texas Eastern states that on December 14, 1994, it filed tariff sheets in compliance with the Commission's November 30, 1994 order in Docket No. RP95-15 (November 30 Order). Subsequently, pursuant to further conversations with Brooklyn Union Gas Company, Texas Eastern states that it has concluded that, in the context of the customer-specific operational flow orders contemplated by Section 4.3(L), the parenthetical expression "(reflecting any reduction attributable to applicable customer-specific operational flow orders)" is not necessary. Accordingly, such phrase has been deleted in these second substitute tariff sheets.

The proposed effective date of the tariff sheets is December 1, 1994, as required by the November 30 Order.

Texas Eastern states that copies of the filing were served on firm customers of

Texas Eastern and interested state commissions.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, NE., Washington, DC 20426, in accordance with § 385.211 of the Commission's Rules and Regulations. All such protests should be filed on or before January 17, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Unocal requests that the Commission (1) investigate and hold a hearing concerning the lawfulness of Sheet No. 21; (2) determine and prescribe a just and reasonable rate to replace the rate set forth on Sheet No. 21; (3) suspend the operation of Sheet No. 21 pending investigation and hearing for the maximum period of seven months, and to the extent Sheet No. 21 is allowed to remain effective, direct CIPL to keep accurate account in detail of all rates and charges collected by reason of the filing of Sheet No. 21, (4) order CIPL to pay reparations to Unocal for any and all amounts paid by Unocal by operation of Sheet No. 21 above what the Commission determines to be the just and reasonable rate; and (5) order
