[Docket No. 301-94]

Request for Public Comment Concerning Proposed Determinations and Action Pursuant to Section 301: European Community Banana Import Regime

AGENCY: Office of the United States Trade Representative.

ACTION: Request for public comment concerning (1) whether acts, policies, and practices of the European Union (EU) are actionable under section 301 (a) or (b) of the Trade Act of 1974, as amended (Trade Act); and (2) if so, what action, if any, should be taken pursuant to section 301(c) of the Trade Act.

SUMMARY: The USTR seeks public comment concerning upcoming determinations pursuant to section 304 and possible action pursuant to section 301 of the Trade Act with respect to the investigation of the EU's trade regime regarding importation of bananas.

DATES: Written comments from the public are due on or before 12 noon, on Friday, February 10, 1994.

ADDRESSES: Office of the United States Trade Representative, 600 17th Street, NW., Washington, DC 20506.

FOR FURTHER INFORMATION CONTACT: Edward Kaska, Director for European Services and Agriculture, (202) 395-3320; or Irving Williamson, Deputy General Counsel, (202) 395-3432.

SUPPLEMENTARY INFORMATION: On October 17, 1994, pursuant to section 302(a) of the Trade Act, the USTR initiated an investigation of the following practices of the EU: (1) Council Regulation (EEC) No. 404/93 and related rules implementing a Community banana policy discriminating against U.S. banana marketing companies importing bananas from Latin America, including a restrictive and discriminatory licensing scheme designed to transfer market share to firms traditionally trading bananas from African, Caribbean and Pacific (ACP) sources and from EU overseas territories and dependencies; and (2) the March 29, 1994 Framework Agreement on Bananas between the EU and Colombia, Costa Rica, Nicaragua and Venezuela (Framework Agreement). By **Federal Register** notice dated October 24, 1994 (59 FR 53495), USTR requested public comment on the issues raised in the petition. The comment period was subsequently extended by a **Federal Register** Notice dated November 21, 1994 (59 FR 60026).

Since initiation of the investigation, the USTR has conducted consultations and bilateral discussions with the EU concerning the issues in the petition. The USTR also requested the EU to delay implementation of the Framework Agreement because implementation would aggravate the harm caused by Regulation 404. These efforts have failed to bring about reform of the EU practices.

Section 304(a) of the Trade Act provides that in each investigation initiated under section 302 of the Trade Act, the USTR must determine whether the act, policy or practice is actionable under section 301. The USTR requests comments from the public by February 10, 1995 regarding the actionability under section 301 of the EU practices referred to above.

If this determination is affirmative, the USTR must also determine what action would be appropriate under subsection (a) or (b) of section 301. Actions that would be permitted in the case of a positive determination with respect to the EU include action to suspend, withdraw or prevent the

application of benefits of trade agreement concessions to the EU; imposition of duties or other import restrictions on goods of the EU or fees or restrictions on services of the EU; and restriction or denial of service sector access authorizations with respect to services of the EU. The USTR requests comments from the public by February 10, 1995 regarding the appropriateness of such actions, including identification of goods or services of the EU to which such measures might appropriately be applied, as well as identification of other measures which could be taken with respect to trade of the EU.
