#### SUPPLEMENTARY INFORMATION:

##### A. Purpose

In accordance with the Small Business Act (15 U.S.C. 631, *et seq.*), contractors receiving a contract for more than \$10,000 agree to have small and small disadvantaged business concerns participate in the performance of the contract as far as practicable.

Contractors receiving a contract or a modification to a contract expected to exceed \$500,000 (\$1,000,000 for construction) must submit a subcontracting plan that provides maximum practicable opportunities for small and small disadvantaged business concerns. Specific elements required to be included in the plan are specified in section 8(d) of the Small Business Act and are implemented in FAR 19.7.

In conjunction with these plans, contractors must submit reports of their progress on SF 295, Summary Subcontract Report. In addition, OFPP Policy Letter 91-1, Government-Wide Small Business and Small Disadvantaged Business Goals for Procurement Contracts, requires Executive branch departments and agencies to report the number and dollar value of subcontracts awarded to small business, small disadvantaged business and women-owned small business. The report is being revised to delete the requirement to report Labor Surplus

Area Subcontracts and to collect subcontract goal achievement on contracts with women-owned small business concerns (DOD only). This information is required to implement Section 7105 of Public Law 103-355.

Information submitted on SF 295 is used to assess contractor's compliance with their subcontracting plans and to report achievement of goals for subcontract awards to small business, small disadvantaged business and women-owned small business.

#### SUPPLEMENTARY INFORMATION:

##### A. Purpose

In accordance with the Small Business Act (15 U.S.C. 631, *et seq.*) contractors receiving a contract for more than \$10,000 agree to have small and small disadvantaged business concerns participate in the performance of the contract as far as practicable. Contractors receiving a contract or a modification to a contract expected to exceed \$500,000 (\$1,000,000 for construction) must submit a subcontracting plan that provides maximum practicable opportunities for small and small disadvantaged business concerns. Specific elements required to be included in the plan are specified in section 8(d) of the Small Business Act and implemented in FAR subpart 19.7.

A satisfactory subcontracting plan is required before a contract exceeding \$500,000 (\$1,000,000 for construction) can be awarded. The contracting officer must examine the information in the proposed plan to determine if the plan is in compliance with the Small Business Act and the FAR. In addition, the information is used for policy and management control purposes.

In conjunction with these plans, contractors must submit semiannual reports of their progress on Standard Form 294, Subcontracting Report for Individual Contracts. Information submitted on Standard Form 294 is used

to assess contractors' compliance with their subcontracting plans. Under FAR case 94-780, the change in burden reflects the requirement in Public Law 103-355, Section 7105, that Government prime contractors, and certain subcontractors, develop subcontracting plans which include goals for awards to women-owned small businesses and report on achievements against those goals.
