BILLING CODE 5000-04-F

Defense Logistics Agency

Privacy Act of 1974; Computer Matching Program Between the Small Business Administration and the Defense Manpower Data Center of the Department of Defense

AGENCY: Defense Manpower Data Center, Defense Logistics Agency, Department of Defense.

ACTION: Notice of a computer matching program between the Small Business Administration (SBA) and the Department of Defense (DoD) for public comment.

SUMMARY: Subsection (e)(12) of the Privacy Act of 1974, as amended, (5 U.S.C. 552a) requires agencies to publish advance notice of any proposed or revised computer matching program by the matching agency for public comment. The DoD, as the matching agency under the Privacy Act is hereby giving constructive notice in lieu of direct notice to the record subjects of a computer matching program between SBA and DoD that their records are being matched by computer. The record subjects are SBA delinquent debtors who may be current or former Federal employees receiving Federal salary or benefit payments and who are delinquent in their repayment of debts owed to the United States Government under programs administered by SBA so as to permit SBA to pursue and collect the debt by voluntary repayment or by

administrative or salary offset procedures under the provisions of the Debt Collection Act of 1982.

DATES: This proposed action will become effective February 21, 1995, and the computer matching will proceed accordingly without further notice, unless comments are received which would result in a contrary determination or if the Office of Management and Budget or Congress objects thereto. Any public comment must be received before the effective date.

ADDRESSES: Any interested party may submit written comments to the Director, Defense Privacy Office, Crystal Mall 4, Room 920, 1941 Jefferson Davis Highway, Arlington, VA 22202094502. **FOR FURTHER INFORMATION CONTACT:** Mr. Aurelio Nepa, Jr. at telephone (703) 607092943.

SUPPLEMENTARY INFORMATION: Pursuant to subsection (o) of the Privacy Act of 1974, as amended, (5 U.S.C. 552a), the DMDC and SBA have concluded an agreement to conduct a computer matching program between the agencies. The purpose of the match is to exchange personal data between the agencies for debt collection. The match will yield the identity and location of the debtors within the Federal government so that SBA can pursue recoupment of the debt by voluntary payment or by administrative or salary offset procedures. Computer matching appeared to be the most efficient and effective manner to accomplish this task with the least amount of intrusion of personal privacy of the individuals concerned. It was therefore concluded and agreed upon that computer matching would be the best and least obtrusive manner and choice for accomplishing this requirement.

A copy of the computer matching agreement between SBA and DMDC is available upon request to the public. Requests should be submitted to the address caption above or to the Deputy Director, Office of Portfolio Management, Small Business Administration, 409 Third Street, SW, Suite 8300, Washington, DC 20416. Telephone (202) 205096481.

Set forth below is the notice of the establishment of a computer matching program required by paragraph 6.c. of the Office of Management and Budget Guidelines on computer matching published in the **Federal Register** at 54 FR 25818 on June 19, 1989.

The matching agreement, as required by 5 U.S.C. 552a(r) of the Privacy Act, and an advance copy of this notice was submitted on January 9, 1995, to the Committee on Government Operations

of the House of Representatives, the Committee on Governmental Affairs of the Senate, and the Administrator of the Office of Information and Regulatory Affairs, Office of Management and Budget pursuant to paragraph 4d of Appendix I to OMB Circular No. A09130, 'Federal Agency Responsibilities for Maintaining Records about Individuals,' dated July 15, 1994 (59 FR 37906, July 25, 1994). The matching program is subject to review by OMB and Congress and shall not become effective until that review period has elapsed.

Dated: January 13, 1995

Patricia L. Toppings,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

Notice of a Computer Matching Program between the Small Business Administration and the Department of Defense for Debt Collection

A. Participating Agencies: Participants in this computer matching program are the Small Business Administration (SBA) and the Defense Manpower Data Center (DMDC) of the Department of Defense (DoD). The SBA is the source agency, i.e., the activity disclosing the records for the purpose of the match. The DMDC is the specific recipient activity or matching agency, i.e., the agency that actually performs the computer matching.

B. Purpose of the match: Upon the execution of an agreement, the SBA will provide and disclose debtor records to DMDC to identify and locate any matched Federal personnel, employed or retired, who may owe delinquent debts to the Federal Government under certain programs administered by the DOD. The SBA will use this information to initiate independent collection of those debts under the provisions of the Debt Collection Act of 1982 when voluntary payment is not forthcoming. These collection efforts will include requests by the SBA of any employing Federal agency to apply administrative and/or salary offset procedures until such time as the obligation is paid in full.

C. Authority for conducting the match: The legal authority for conducting the matching program is contained in the Debt Collection Act of 1982 (Pub. L. 97-365), 31 U.S.C. Chapter 37, Subchapter I (General) and Subchapter II (Claims of the United States Government), 31 U.S.C. 3711 Collection and Compromise, 31 U.S.C. 3716 Administrative Offset, 5 U.S.C. 5514 Installment Deduction for Indebtedness (Salary Offset); 10 U.S.C.
