Prospect Ranger Station Administrative Site

- T. 32 S., R. 3 E.,
Sec. 29, W $\frac{1}{2}$ NE $\frac{1}{4}$ NW $\frac{1}{4}$.

The areas described aggregate 2,090 acres in Jackson and Douglas Counties.

The purpose of the proposed withdrawal is to protect recreational values of Abbott Creek and Mill Creek recreation sites, wildlife habitat of Rabbit Ears—Falcon wildlife area, historical values of Union Creek historic district, facilities and improvements of Prospect ranger station administrative site and the scenic values of Rogue River wild and scenic corridor.

For a period of 90 days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal may present their views in writing to the State Director at the address indicated above.

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal. All interested parties who desire a public meeting for the purpose of being heard on the proposed withdrawal must submit a written request to the State Director at the address indicated above within 90 days from the date of publication of this notice. Upon determination by the authorized officer that a public meeting will be held, a notice of the time and place will be published in the **Federal Register** at least 30 days before the scheduled date of the meeting.

The application will be processed in accordance with the regulations set forth in 43 CFR 2300.

For a period of two years from the date of publication of this notice in the **Federal Register**, the lands will be segregated as specified above unless the application is denied or canceled or the withdrawal is approved prior to that date. The temporary uses which may be permitted during this segregative period are other National Forest management activities, including permits, licenses, and cooperative agreements, that are compatible with the intended use under the discretion of the authorized officer.

Dated: January 10, 1995.

Robert D. DeViney, Jr.,

Acting Chief, Branch of Lands and Minerals Operations.
