Under Public Law 92-463, notice is hereby given that a meeting of an ad-hoc Subcommittee of the Science Advisory Board will be held in Washington, D.C., on March 23-24, 1995, to determine the

These awards are established to give honor and recognition to EPA employees who have made outstanding contributions in the advancement of science and technology through their research and development activities, and who have published their results in peer reviewed journals.

In selecting the recipients for the awards, and in determining the actual cash amount of each award, the Agency requires full and frank advice from the Science Advisory Board. This advice will involve professional judgements on those employees whose published research results are deserving of a cash award as well as those that are not. Discussion of such a personal nature, where disclosure would constitute an unwarranted invasion of personal privacy, are exempted under section 10(d) of Title 5, U.S. Code, Appendix 1. In accordance with the provisions of the Federal Advisory Committee Act, minutes of the meeting will be kept for Agency and Congressional review. Inquiries may be made to the Science Advisory Board (1400F), U.S. Environmental Protection Agency, 401 M Street, SW., Washington, D.C. 20460.
