4.1 Each relevant party shall provide to the Exchange the information required in paragraph B4.2 with respect to its transactions in relevant SEAQ International securities in the UK: *provided*, that in the case of a rights issue, information is only required to be reported to the Exchange during the period or periods commencing at any time during the covered period for the qualified SEAQ International security that the rights exercise price does not represent a discount of a least 10 per cent from the then current market price of the security underlying the rights and continuing until (i) the end of the covered period for the qualified SEAQ International security or (ii) until the rights exercise price represents a discount of a least 12 percent from the then current market price of the security underlying the rights.¹

Conclusion

This request for an exemption relates to distributions of those SEAQ or SEAQ International securities which meet the specified requirement statement above. A distribution of a SEAQ or SEAQ International security which is subject to rules 10b-6, 10b-7 or 10b-8 and does not meet the terms of the new exemption, may be made subject to the 1993 exemption. A distribution of any SEAQ or SEAQ International security subject to rules 10b-6, 10b-7 and 10b-8 and falling outside this exemption, the 1993 exemption or any other exemption in force would require a specific grant of relief.

Self-Regulatory Organizations; Notice of Filing of Proposed Rule Change by Chicago Stock Exchange, Inc. Relating to Exclusive Issues

January 18, 1995.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"), 15 U.S.C. § 78s(b)(1), notice is hereby given that on November 10, 1994, the Chicago Stock Exchange, Inc. ("CHX" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change and on January 4, and 9, 1995, filed Amendment Nos. 1 and 2, respectively, to the proposed rule change,¹ as described in Items I, II and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Chicago Stock Exchange, Incorporated, pursuant to Rule 19b-4 promulgated under the Securities Exchange Act of 1934, as amended, submits a proposed rule change relating to exclusive issue rules (Article XXX, Rule 23).

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

¹ See letters from David Rusoff, Foley & Lardner, to Amy Bilbija, SEC, dated December 29, 1994; and to Glen Barrentine, SEC, dated January 5, 1995. Amendment Nos. 1 and 2 made non-substantive changes to the proposal.

¹ For the purposes of this exemption, unless stated otherwise, the current market price for a qualified SEAQ International security shall be the closing mid-price at the end of the mandatory quote period for the day on SEAQ International.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed change is to impose additional requirements and prohibitions on specialists, and others, when the Exchange is the primary market in a particular issue ("exclusive issue"). The rule proposal is designed to prohibit specialist units registered in an exclusive issue from engaging in business transactions² with the issuer.³ It is also intended to promote fair dealings in exclusive issues by prohibiting certain types of transactions⁴ without first securing the approval of floor officials. Furthermore, the proposal makes the "equalizing" exemption in paragraph (e)(5) of SEC Rule 10a-1 unavailable for specialists and market makers when selling short an exclusive issue.⁵ Finally, the proposal includes a definition of an exclusive issue.⁶ The CHX specialists are provided a statistical report on a monthly basis containing data regarding trade and share volume of each issue by exchange. Thus, a specialist will be aware—by reviewing the monthly report—if exclusive issue obligations

²The term "business transaction" is intended to be interpreted broadly to include, for example: Loans, purchase of assets from the issuer, and acquisition of any beneficial ownership of shares of such issuer.

³In addition to the specialist unit, the proposed rule extends to any co-specialist or other associated person, officer, director, partner or employee of a specialist unit registered in the exclusive issue.

⁴The specific types of transactions are listed in CHX proposed Rule 23(b)(2), and include transactions such as a purchase at a price above the last sale in the same session and a proposed transaction involving a price movement of 1/2 point or more.

⁵17 CFR § 240.10a-1(e)(5). Rule 10a-1 generally prohibits persons from effecting a short sale of a registered security (a) below the price of the last sale, or (b) at such price if it is lower than the last sale at a different price. The exception provided for in paragraph (e)(5) permits registered specialists or registered exchange market makers (or a third market maker for its own account over-the-counter) to effect, for their own account, a sale (a) at a price equal to or above the last sale, or (b) at a price equal to the most recent offer communicated for the security by such registered person if such offer, when communicated, was equal to or above the last sale. In addition, the Rule expressly provides that an exchange may prohibit its registered specialists and market makers from availing themselves of the exemption if the exchange determines that such action is necessary or appropriate in its market, in the public interest, or for the protection of investors.

⁶An "exclusive" issue is defined in the proposed rule as the stock of any company traded on the Exchange not otherwise traded on the New York or American Stock Exchanges or NASDAQ/NMS, and, where there exists another market for such issue, the Exchange has executed 25% or more of the transactions in the issue during the three previous months.

have been triggered and will be responsible for conducting his business accordingly.⁷

2. Statutory Basis

The proposed rule change is consistent with Section 6(b)(5) of the Act in that it is designed to promote just and equitable principles of trade, to remove impediments and to perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose a burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve the proposed rule change, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person other than those that may be withheld from the public in accordance with the

provisions of 5 U.S.C. 552, will be available for inspection and copying at the Commission's Public Reference Section, 450 Fifth Street, NW., Washington, DC 20549. For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Margaret H. McFarland,
Deputy Secretary.
