The area described contains 70.90 acres in Coos County.

The purpose of the proposed withdrawal is to protect recreational values, cultural sites, wetlands, and endangered species habitat.

For a period of 90 days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal may present their views in writing to the State Director at the address indicated above.

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal. All interested parties who desire a public meeting for the purpose of being heard on the proposed withdrawal must submit a written request to the State Director at the address indicated above within 90 days from the date of publication of this notice. Upon determination by the authorized officer that a public meeting will be held, a notice of the time and place will be published in the **Federal Register** at least 30 days before the scheduled date of the meeting.

The application will be processed in accordance with the regulations set forth in 43 CFR 2300.

For a period of two years from the date of publication of this notice in the **Federal Register**, the lands will be segregated as specified above unless the application is denied or canceled or the withdrawal is approved prior to that date. Temporary land uses that may be permitted by the authorized officer during the period of temporary segregation include leases, licenses, permits, rights-of-way, and disposal of mineral or vegetative resources other than under the mining laws.

Notice of Amendment to a Proposed Withdrawal; Wyoming

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The Bureau of Land Management (BLM) proposed in a **Federal Register** notice dated June 3, 1993, to withdraw public lands and minerals to protect important recreation, scenic, riparian, and wildlife resource values along the Snake and Gros Ventre Rivers near Jackson, Wyoming. The amendment proposes a 10 year withdrawal term, instead of 20 years, in order to coincide with the expected completion of land use planning. It also proposes the lands remain open, instead of closed, to disposal by sale, exchange, or Recreation and Public Purposes Act conveyance.

EFFECTIVE DATE: January 26, 1995.

Comments must be received by February 27, 1995.

ADDRESSES: Comments and requests should be sent to the Wyoming State Director, BLM, PO Box 1828, Cheyenne, Wyoming 82003.

FOR FURTHER INFORMATION CONTACT: Arlan Hiner, Pinedale Resource Area Manager, Box 768, Pinedale, Wyoming 82941, (307) 367-4358.

SUPPLEMENTARY INFORMATION: Analysis of the proposal identified a need for having the term of the withdrawal coincide with when land use planning is expected to be completed, and also retain the option of being able to dispose of land. The original proposal assumed land use planning would be completed within 2 years, and that a 20 year withdrawal term would be appropriate. Because of other commitments, land use planning is now expected to be completed within 10 years, and the term of the withdrawal should coincide with completion of the land use plan, which will decide the need and extent for future withdrawals. The proposed withdrawal would close public lands and minerals to settlement, location, or entry under the general land laws, including the mining laws, subject to valid existing rights. The amendment would change the proposal such that certain types of land disposals are allowed.

For a period of 30 days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal amendment may present their views in writing to the Wyoming State Director of the Bureau of Land Management.

Dated: January 18, 1995.

Robert A. Bennett,

Acting State Director.
