

Public hearings to consider Florida's request to administer the NPDES permit program have been scheduled as shown at the beginning of this Notice. The Hearing Panel will include representatives of EPA Region IV and the Florida FDEP.

The following are policies and procedures which shall be observed at the public hearings:

1. The Presiding Officer shall conduct the hearing in a manner which will allow all interested persons wishing to make oral statements an opportunity to do so; however, the Presiding Officer may inform attendees of any time limits during the opening statement of the hearings.

2. Any person may submit written statements or documents for the record.

3. The Presiding Officer may, in his discretion, exclude oral testimony if such testimony is overly repetitious of previous testimony or is not relevant to the decision to approve or require revision of the submitted State program.

4. The transcript taken at the hearing, together with copies of all submitted statements and documents, shall become a part of the record submitted to the Regional Administrator.

5. The hearing record shall be left open until the deadline for receipt of comments specified at the beginning of this Notice to allow any person time to submit additional written statement or to present views or evidence tending to rebut testimony presented at the public hearing.

Hearing statements may be oral or written. Written copies of oral statements are urged for accuracy of the record and for use of the Hearing Panel and other interested persons. Statements should summarize any extensive written materials. All comments received by EPA Region IV by the deadline for receipt of comments, or presented at the public hearing, will be considered by EPA before taking final action on the Florida request for NPDES program approval.

Regulatory Flexibility Act

After review of the facts presented in this document, I hereby certify, pursuant to the provisions of 5 U.S.C. 605(b), that this notice of Florida's application to administer the NPDES program will not have a significant impact on a substantial number of small entities. The approval of the Florida NPDES permit program would merely transfer responsibilities for administration of the NPDES permit

program from Federal to State government.

Patrick M. Tobin,

Acting Regional Administrator.
