Notice of Funding Availability for Fiscal Year 1995 for Innovative Project Funding Under the Innovative Homeless Initiatives Demonstration Program; Notice of Extension of Deadline for Applications

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice of funding availability (NOFA); Extension of deadline for applications.

SUMMARY: On January 25, 1995 (60 FR 4996), the Department published in the **Federal Register**, a Notice that announced the availability of \$25 million in funds for applications for Innovative Project Funding under the Innovative Homeless Initiatives Demonstration Program. These funds will be awarded competitively for innovative programs designed to provide aggressive outreach to homeless persons living on the streets or in other places not designed for, or ordinarily used as, regular sleeping accommodations for human beings; provide intensive needs assessments; connect these people with existing community resources when available; and, if necessary, provide additional housing and services for them.

For reasons set forth in the January 25, 1995 NOFA, and reiterated in this notice, there is a short application period for this funding. The January 25, 1995 NOFA provided for an application deadline of February 6, 1995. The Department, however, had intended to provide for an application deadline of February 13, 1995. Accordingly, the purpose of this notice is to extend the application due date until 6 p.m. local time on February 13, 1995. (See the January 25, 1995 published NOFA for all additional requirements.)

DEADLINE DATES: All applications received at HUD Headquarters, Office of Community Planning and Development, at the address shown in the "Addresses" section of this NOFA by 6 p.m. local time on February 13, 1995 will be considered for funding. HUD will treat as ineligible for consideration applications that are received after the deadline. However, any application received at that address within 24 hours after the deadline will be considered for funding if the applicant can show there were circumstances beyond its control that delayed delivery of the application, such as the failure of a delivery service to deliver the application on or before the specified date. *Applications may not be sent by facsimile (FAX).*

The Department has established a short application period for this NOFA in an effort to make funding quickly available to applicants who are in need of funding to assist homeless persons, especially during this time when harsh weather conditions necessitate greater and more immediate assistance to homeless persons.

ADDRESSES: A completed application must be submitted to the following address: Processing and Control Unit,
