

increased labor force participation of women, lower marriage rates, increased likelihood of divorce, and higher poverty rates of aged women.

In addressing these topics, the Secretary suggested that the Council may wish to analyze the relative roles of the public and private sectors in providing retirement income, how policies in both sectors affect retirement decisions and the economic status of the elderly, and how the disability insurance program provisions and the availability of health insurance and health care costs affect such matters.

The Council is composed of 12 members in addition to the chairman: Robert Ball, Joan Bok, Ann Combs, Edith Fierst, Gloria Johnson, Thomas Jones, George Kourpias, Sylvester Schieber, Gerald Shea, Marc Twinney, Fidel Vargas, and Carolyn Weaver. The chairman is Edward Gramlich.

The Council met previously on June 24–25 (59 FR 30367), July 29, 1994 (59 FR 35942), September 29–30 (59 FR 47146), October 21–22 (59 FR 51451), November 18–19 (59 FR 55272), and January 27 (60 FR 3416).

II. Agenda

The following topics will be presented and discussed:

- Adequacy and Equity Options for the Social Security Program;
- Discussion on Trust Fund Investment/Budget Treatment Options; and
- Trends in the relationship of morbidity and mortality.

The meeting is open to the public to the extent that space is available. Interpreter services for persons with hearing impairments will be provided. A transcript of the meeting will be available to the public on an at-cost-of duplication basis. The transcript can be ordered from the Executive Director of the Council.

[Docket No. N–95–3862; FR–3846–N–02]

Notice of Funding Availability for Fiscal Year 1995 for Innovative Project Funding Under the Innovative Homeless Initiatives Demonstration Program; Notice of Extension of Deadline for Applications

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice of funding availability (NOFA); Extension of deadline for applications.

SUMMARY: On January 25, 1995 (60 FR 4996), the Department published in the **Federal Register**, a Notice that announced the availability of \$25 million in funds for applications for Innovative Project Funding under the Innovative Homeless Initiatives Demonstration Program. These funds will be awarded competitively for innovative programs designed to provide aggressive outreach to homeless persons living on the streets or in other places not designed for, or ordinarily used as, regular sleeping accommodations for human beings; provide intensive needs assessments; connect these people with existing community resources when available; and, if necessary, provide additional housing and services for them.

For reasons set forth in the January 25, 1995 NOFA, and reiterated in this notice, there is a short application period for this funding. The January 25, 1995 NOFA provided for an application deadline of February 6, 1995. The Department, however, had intended to provide for an application deadline of February 13, 1995. Accordingly, the purpose of this notice is to extend the application due date until 6 p.m. local time on February 13, 1995. (See the January 25, 1995 published NOFA for all additional requirements.)

DEADLINE DATES: All applications received at HUD Headquarters, Office of Community Planning and Development, at the address shown in the "Addresses" section of this NOFA by 6 p.m. local time on February 13, 1995 will be considered for funding. HUD will treat as ineligible for consideration applications that are received after the deadline. However, any application received at that address within 24 hours after the deadline will be considered for funding if the applicant can show there were circumstances beyond its control that delayed delivery of the application, such as the failure of a delivery service to deliver the application on or before the specified date. *Applications may not be sent by facsimile (FAX).*

The Department has established a short application period for this NOFA in an effort to make funding quickly available to applicants who are in need of funding to assist homeless persons, especially during this time when harsh weather conditions necessitate greater and more immediate assistance to homeless persons.

ADDRESSES: A completed application must be submitted to the following address: Processing and Control Unit,

Room 7255, Office of Community Planning and Development, Department of Housing and Urban Development, 451 Seventh Street SW., Washington, DC 20410, Attention: Homeless Innovative Funding.

One copy of the application must also be sent to the HUD Field Office serving the area in which the applicant's project is located. A list of Field Offices appears in Appendix C to the NOFA, which was published on January 25, 1995. The Field Office copy must be received by the application deadline as well, but a determination that an application was received on time will be made solely on receipt of the application at the Office of Community Planning and Development in Headquarters, Washington, DC.

FOR FURTHER INFORMATION CONTACT: The HUD Field Office for the area in which the proposed project is located. Telephone numbers are included in the list of Field Offices set forth in Appendix C to the NOFA, published on January 25, 1995.

SUPPLEMENTARY INFORMATION: Accordingly, the deadline date for receipt of applications for the Notice of Funding Availability for Fiscal Year 1995 for Innovative Project Funding under the Innovative Homeless Initiatives Demonstration Program (NOFA), published in the **Federal Register** on January 25, 1995 (60 FR 4996), is extended to February 13, 1995.

Dated: January 25, 1995.

Jacque M. Lawing,

Deputy Assistant Secretary for Economic Development.

DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

Notice of Availability of Draft Conservation Agreement for the Virgin Spinedace for Review and Comment

AGENCY: U.S. Fish and Wildlife Service, Interior.

ACTION: Notice of document availability.

SUMMARY: The Fish and Wildlife Service (Service) announces the availability for public review of a Draft Conservation Agreement for the Virgin spinedace (*Lepidomeda mollispinis mollispinis*). This species is proposed for Federal listing as threatened pursuant to the Endangered Species Act (Act) of 1973, as amended. The Conservation Agreement was developed by the Utah Department of Natural Resources, with

participation from the following parties—Bureau of Land Management, National Park Service, Nevada Department of Conservation and Natural Resources, Arizona Game and Fish Department, Washington County Water Conservancy District, and the Service. The agreement focuses on reducing and eliminating significant threats and enhancing and/or stabilizing specific reaches of occupied and unoccupied historical habitat of the Virgin spinedace. The Service solicits review and comment from the public on this draft agreement.

DATES: Comments on the Draft Conservation Agreement must be received on or before March 28, 1995 to be considered by the Service during preparation of the final conservation agreement and prior to the Service's determination whether it will be a signatory party to the agreement.

ADDRESSES: Persons wishing to review the Draft Conservation Agreement may obtain a copy by contacting the Field Supervisor, U.S. Fish and Wildlife Service, 145 East 1300 South, Suite 404, Salt Lake City, Utah 84115. Written comments and materials regarding the Draft Conservation Agreement should also be directed to the same address. Comments and materials received will be available on request for public inspection, by appointment, during normal business hours at the above address.

FOR FURTHER INFORMATION CONTACT: Mr. Roberts D. Williams, Assistant Field Supervisor (see **ADDRESSES** section) (telephone 801/524-5001).

SUPPLEMENTARY INFORMATION:

Background

The Virgin spinedace is a small minnow endemic to the Virgin River drainage basin in southwestern Utah, northwestern Arizona, and southeastern Nevada. Over the last 50 years, the range of the species has declined by approximately 37-40 percent due to human impacts such as water development projects, agriculture, mining, urbanization, and introduction of nonactive fishes. The Virgin spinedace was proposed for listing as a threatened species on May 18, 1994 (59 FR 25875). In May 1994 the Utah Department of Natural Resources initiated development of a Conservation Agreement, working cooperatively with other agencies, in an effort to reduce the threats affecting the Virgin spinedace.

The Conservation Agreement outlines five general management actions and four general administrative actions required to meet the objectives of the agreement. These actions include

reestablishing and maintaining required flows, enhancing and maintaining habitat, selectively controlling nonnative fish, maintaining genetic viability, monitoring populations and habitat, coordinating conservation activities, implementing the conservation schedule, funding conservation actions, and assessing conservation progress.

Public Comments Solicited

The Service will use information received in its determination as to whether it should be a signatory party to the agreement. Comments or suggestions from the public, other concerned governmental agencies, the scientific community, industry, or any other interested party concerning this draft document are hereby solicited. All comments and materials received will be considered prior to the approval of any final document.
