DEPARTMENT OF ENERGY
**Conduct of Employees; Notice of
Waiver Pursuant to Section 602(c) of
the Department of Energy Organization
Act (Pub. L. No. 95-91)**

Section 602(a) of the Department of Energy ("DOE") Organization Act (Pub. L. No. 95-91, hereinafter referred to as the "Act") prohibits a "supervisory employee" (defined in section 601(a) of the Act) of the Department from knowingly receiving compensation from, holding any official relation with, or having any pecuniary interest in any "energy concern" (defined in section 601(b) of the Act).

Section 602(c) of the Act authorizes the Secretary of Energy to waive the requirements of section 602(a) in cases where exceptional hardship would result, or where the interest is a pension, interest or other similarly vested interest.

Mr. Notra Trulock, III is on assignment to the Department of Energy from the University of California under the terms of the Intergovernmental Personnel Act. He is serving as Director, Office of Energy Intelligence. In addition to his employment with the University of California, Mr. Trulock has benefit interests in the University of California. I have determined that requiring Mr. Trulock to sever his employment with the University of California and to terminate his benefit interests would be an exceptional hardship. Therefore, I have granted Mr. Trulock a waiver of the divestiture requirement of section 602(a) of the Act with respect to his employment and benefit interests for the duration of his service as a supervisory employee with the Department.

In accordance with section 208, title 18, United States Code, Mr. Trulock has been directed not to participate personally and substantially, as a Government employee, in any particular matter the outcome of which could have a direct and predictable effect upon the University of California, unless his appointing official determines that his financial interest in the particular matter is not so substantial as to be deemed likely to affect the integrity of the services which the Government may expect from Mr. Trulock.
