[Public Notice 2153]

Shipping Coordinating Committee; Subcommittee on Safety of Life at Sea Working Group on Fire Protection; Meeting

The U.S. Safety of Life at Sea (SOLAS) Working Group on Fire Protection will conduct an open meeting on March 22, 1995, at 9:30 a.m. in Room 2415 at U.S. Coast Guard Headquarters, 2100 Second Street SW., Washington, DC 20593. The purpose of the meeting will be to prepare for discussion anticipated to take place at the Fortieth Session of the International Maritime Organization's Subcommittee on Fire Protection, scheduled for July 17, 1995.

The meeting will focus on proposed amendments to SOLAS for the fire safety of commercial vessels. Specific discussion areas include: Smoke and toxicity, closing mechanisms of fire doors, heat radiation through windows and glass partitions, sprinkler systems and fixed water spraying systems, emergency escape breathing devices, high speed craft, criteria for maximum fire loads, fire safety measures for deep fat cooking equipment, foam concentrates, phasing out of halons, interpretations to SOLAS 74, role of the human element in maritime casualties, safety of passenger submersible craft, smoke control and ventilation, fire safety aspects of composite materials used on board ships, and matters relating to tanker safety.

Additionally, the need for research and development in the area of fire protection will be discussed in an effort to promote new technology that will positively impact both safety and market competitiveness. Comments will be directly solicited on what research areas are viewed by industry as most critical to their safety and business goals and how best to accomplish the necessary work. A partnership initiative between the Coast Guard, industry, and other third party organizations will be proposed.

Interested members of the public are encouraged to attend. For further information regarding the meeting of the SOLAS Working Group on Fire
