Bicycle Speedometers From Japan; Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of preliminary results of antidumping duty administrative review.

SUMMARY: In response to a request from a domestic producer, the Department of Commerce (the Department) is conducting an administrative review of the antidumping finding on bicycle speedometers from Japan. The review covers one manufacturer/exporter of this merchandise sold in the United States for the period November 1, 1992 through October 31, 1993. If these preliminary results are adopted in our final results of administrative review, we will instruct U.S. Customs to assess antidumping duties equal to the difference between the United States price (USP) and the FMV.

Interested parties are invited to comment on these preliminary results. **EFFECTIVE DATE:** January 31, 1995.
