#### Havre Pipeline Company, LLC; Renotice of Petition For Declaratory Order

January 26, 1995.

Take notice that on January 25, 1995, Havre Pipeline Company, LLC (Havre), 410 17th Street, Suite 1400, Denver, Colorado 80802, refiled a petition for a declaratory order exempting facilities to be purchased from Northern Natural Gas Company (Northern) from Commission regulation under the Natural Gas Act, and for a determination that Havre will be an intrastate pipeline within the meaning of Section 2(16) of the Natural Gas Policy Act, to reflect corrections in the original petition, all as more fully set forth in the refiled petition which is on file with the Commission and open to public inspection.

Specifically, Havre states that it had committed to make a filing with the Commission no later than January 18, 1995, Havre did make its filing on this date. However, Havre was not formally organized until January 17, 1995 and, according to Havre, changes in its membership structure occurred immediately following the January 18, 1995 filing. In addition, Havre has identified "certain inadvertent typographical and textual errors" in the original filing due to the time constraints involved in finalizing the purchase arrangement, organizing Havre, and "conducting necessary due diligence activities." Havre indicates that all of the exhibits are identical to the January 18, 1995 filing, with the exception of Exhibit C (which is a list of the Montana producers that are members of Havre).

Any person desiring to be heard or to make any protest with reference to said refiled petition should on or before February 16, 1995, file with the Federal Energy Regulatory Commission, Washington, DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211). All protests filed with the Commission will be considered by it in determining

the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.
