National Park Service

Beaver Basin Rim Road, Draft Environmental Impact Statement

AGENCY: National Park Service, Interior.

ACTION: Availability of draft environmental impact statement for the proposed Beaver Basin Rim Road at Pictured Rocks National Lakeshore, Alger County, Michigan; announcement of public meetings for the purpose of receiving public comments on the draft environmental impact statement for the Beaver Basin Rim Road.

SUMMARY: Pursuant to section 102(2)(c) of the National Environmental Policy Act of 1969, the National Park Service (NPS) announces the availability of a draft environmental impact statement (DEIS) for the proposed Beaver Basin Rim Road in Pictured Rocks National Lakeshore. The NPS proposes to construct a paved road in Pictured Rocks National Lakeshore along the Beaver Basin Rim. The action is being proposed in response to a mandate by Congress in section 6 of the Act of October 15, 1966, 16 U.S.C. 460s-5(b)(1), establishing Pictured Rocks National Lakeshore, directing the development of a scenic shoreline drive. The proposed action is also consistent with and would implement the management directions of the 1981 general management plan for the national lakeshore. The DEIS was prepared by the NPS.

The NPS's preferred alternative for the Beaver Basin Rim Road is identified in the DEIS as Alternative B: Shoreline Zone Alignment. Under the preferred

alternative, a 13-mile-long paved road would be constructed in the shoreline zone of Pictured Rocks National Lakeshore. The proposed road would connect on both ends with Alger County Road H-58. Two spur roads would be constructed off the main road to two overlooks. These overlooks would provide views of Beaver Basin, Beaver Lake, Grand Portal Point, the Sevenmile Creek area, and Lake Superior. Two other alternatives are also considered: the no action alternative, and an alternative under which a new paved road would be constructed within the inland buffer zone of the national lakeshore.

The impacts of the proposed action on the natural resources of the national lakeshore are expected to be minor. However, significant social impacts could occur, particularly in the Grand Marais area. The proposed action will also result in changes to visitor experience in the affected portion of the national lakeshore.

DATES: Comments on the draft EIS should be received no later than March 20, 1995.

The dates, times and locations of public meetings regarding the DEIS are:
 Saturday, February 11, 1995, 3:00-5:00 pm, Sheraton Oaks Hotel, 27000 Sheraton Drive, Novi, Michigan
 Sunday, February 12, 1995, 2:00-4:00 pm, Holiday Inn South Convention Center, 6820 South Cedar Street, Lansing, Michigan
