The proposed decree concerns alleged violations of the Clean Water Act, 33 U.S.C. 1311, as a result of the discharge of fill materials onto approximately 11.6 acres of wetlands by the Commonwealth of Massachusetts ("Commonwealth") and its general contractor, Dimeo Construction Company ("Dimeo"),

BILLING CODE 4410-01-M

[AAG/A Order No. 97-95]

**Privacy Act of 1974 as Amended by the
Computer Matching and Privacy
Protection Act of 1988**

This notice is published in the **Federal Register** in accordance with the requirements of 5 U.S.C. 552a(e)(12). The Immigration and Naturalization Service (INS), Department of Justice (the source agency), is participating in a computer matching program with the Massachusetts Department of Employment and Training (MA-DET) (the receipt agency). The matching program entitled "Systematic Alien Verification for Entitlements (SAVE)" will permit MA-DET to confirm the immigration status of alien applicants for, or recipients of, Federal benefits assistance (i.e., unemployment compensation insurance) as required by section 121 of the Immigration Reform and Control Act (IRCA) of 1986 (Pub. L. 99-603).

Section 121(c) of IRCA amends section 1137 of the Social Security Act and requires agencies which administer the Federal benefit programs designated within IRCA to use the INS verification system to determine eligibility. Accordingly, through the use of user identification codes and passwords, authorized persons from MA-DET may electronically access the data base of an Immigration and Naturalization Service Privacy Act system of records entitled "Alien Status Verification Index, JUSTICE/INS-009." From its automated records system, MA-DET may enter electronically into the INS data base the alien registration number of the applicant or recipient. This action will initiate a search of the INS data base for a corresponding alien registration number. Where such number is located, MA-DET will receive electronically from the INS data base the following data upon which to determine eligibility: Alien registration number; last name; first name; date of birth; country of birth; Social Security number (if available); date of entry; immigration status data; and employment eligibility data. In accordance with 5 U.S.C. 552a(p), MA-DET will provide the alien applicant with 30 days' notice and an opportunity to contest any adverse finding before final action is taken against that alien because of ineligible immigration status as established through the computer match.

The original effective date of the matching program was February 28, 1990, for which notice was published in the **Federal Register** on January 29, 1990 (55 FR 2890). The program has continued to date under the authority of

a series of new approvals as required by the CMPPA. The CMPPA provides that based upon approval by agency Data Integrity Boards of a new computer matching agreement, computer matching activities may be conducted for 18 months and, contingent upon specific conditions, may be similarly extended by the Board for an additional year without the necessity of a new agreement. The most recent one-year extension for this program will expire March 9, 1995. Therefore, the Department's Data Integrity Board has approved a new agreement to permit the continuation of the above-named computer matching program for another 18-month period from the effective date (described below).

Matching activity under the new agreement will be effective (1) 30 days after publication of a computer matching notice in the **Federal Register**, or (2) 40 days after a report concerning the computer matching program has been transmitted to the Office of Management and Budget and transmitted to Congress along with a copy of the agreement, whichever is later. The agreement (and matching activity) will continue for 18 months from the effective date—unless within 3 months prior to the expiration of the agreement, the Data Integrity Board approves a one-year extension pursuant to 5 U.S.C. 552a(o)(2)(D).

In accordance with 5 U.S.C. 552a(o)(2)(A) and (r), the required report has been provided to the Office of Management and Budget, and to Congress together with a copy of the agreement.

Inquiries may be addressed to Patricia E. Neely, Staff Assistant, Systems Policy Staff, Justice Management Division, Department of Justice, Washington, DC 20530 (Room 850, WCTR Building).

Dated: January 27, 1995.

Michael J. Roper,

*Acting Assistant Attorney General for
Administration.*
