Interagency Working Group on Environmental Justice; Notification of Availability of Federal Agency Environmental Justice Strategies for Comment

Executive Order 12898, "Federal Actions to Address Environmental Justice in Minority Populations and Low-income Populations" (February 11, 1994) requires Federal agencies to develop Environmental Justice strategies for carrying out the requirements of the Executive Order. The Order also permits public input "relating to the incorporation of environmental justice principles into Federal agency programs or policies."

As part of its effort to seek public input, the Interagency Working Group will make available to the public, the drafts of the Federal agency strategies. The following draft strategies are available for distribution at this time:
