BILLING CODE 4210-29-M

Office of the Assistant Secretary for Public and Indian Housing

[Docket No. N-95-3714; FR-3397-N-08]

Announcement of Funding Awards for the Family Investment Centers Program—Fiscal Year 1994

AGENCY: Office of the Assistant Secretary for Public and Indian Housing, HUD.

ACTION: Announcement of funding awards.

SUMMARY: In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989, this document notifies the public of funding awards for Fiscal Year 1994 Public and Indian Housing Authority applicants under the Family Investment Centers (FIC) Program. The purpose of this document is to announce the names and addresses

of the award winners and the amount of the awards to be used to further the Department's commitment to provide families living in public and Indian housing with better access to employment and training opportunities to achieve self-sufficiency and independence, and to rescind scores announced in an amendment published July 29, 1994 (59 FR 38617) regarding the score achievable under the ranking factor that addressed the evidence of need for supportive services by eligible residents.

FOR FURTHER INFORMATION CONTACT: Marcia Y. Martin, Office of Community Relations and Involvement (OCRI), or Dom Nessi, Director, Office of Native American Programs (ONAP), Department of Housing and Urban Development, 451 Seventh Street, S.W., Washington, DC 20410; telephone numbers: OCRI (202) 708-4214; and ONAP (202) 755-0032 (these are not toll-free numbers). Hearing- or speech-impaired persons may use the Telecommunications Devices for the Deaf (TDD) by contacting the Federal Information Relay Services on 1-800-877-TDDY (1-800-877-8339) or 202-708-9300 (not a toll-free number).

SUPPLEMENTARY INFORMATION:

Section 22 of the United States Housing Act of 1937 (42 U.S.C. 1437t) provides for the establishment of Family Investment Centers. The stated purpose of Section 22 is to provide families living in public housing with better access to educational and employment opportunities to achieve self-sufficiency and independence by: (a) Developing facilities in or near public housing for training and supportive services; (b) mobilizing public and private resources to expand and improve the delivery of such services; (c) providing funding for such essential training and support services that cannot otherwise be funded; and (d) improving the capacity of management to access the training and service needs of families, coordinate the provision of training and services that meet such needs, and ensure the long-term provision of such training and services.

Although section 22 is phrased in terms of families living in public housing, the program is also available to Indian Housing Authorities (IHAs), because of section 527 of the National Affordable Housing Act (104 Stat. 4216; 42 U.S.C. 1437aa note) (NAHA). Section 527 extends the applicability of many NAHA provisions affecting Title I of the 1937 Act (including section 515, which added Section 220 to housing operated by an IHA.

Applicants under FIC receive funding to conduct: Supportive Services (Only), Renovation/Conversion/New Construction (Only), and Combination Supportive Services/Renovation/Conversion/Construction Activities.

On February 28, 1994 (59 FR 9592), HUD published a Notice of Funding Availability (NOFA) that announced \$75 million in FIC funds, and stated the Department's intention to use \$1 million of FIC funds to undertake a Neighborhood Demonstration Program. The Notice of Demonstration was announced in the **Federal Register** on July 21, 1994 (59 FR 37338). The NOFA was amended four times as follows:

- April 19, 1994 (59 FR 18570). Extended the eligible activities to include new construction and acquisition; and extended the application submission deadline to Friday, July 22, 1994. In addition, the Department announced its intention to use \$5 million of FIC funds for a Youth Development Initiative to address the problems of violence in low-income communities. The Demonstration was announced in the **Federal Register** on May 13, 1994 (59 FR 25262).

- June 9, 1994 (59 FR 29816). Revised the NOFA to include language regarding the Comprehensive Improvement Assistance Program (CIAP). In addition, the Department announced the award of \$2 million to the Chicago Housing Authority (CHA) on an emergency basis for FIC eligible purposes.

- July 14, 1994 (59 FR 35945). Announced new application submission requirements for applicants applying to undertake renovation/conversion/new construction activities (only). This amendment was issued subsequent to the Notice of Demonstration published June 21, 1994. In addition, the amendment determined that section 957 of the National Affordable Housing Act (NAHA) was subject to appropriations and not applicable at this time.

- Published July 29, 1994 (59 FR 38617). Announced the change of the explanation of the award of funds and increased the number of points available in the ranking factor that addresses the need for services by eligible residents under the categories for renovation/conversion/supportive services and supportive services (only) from "10" points to "30" points. In addition, maximum points achievable under Renovation/Conversion/Supportive Services activities were changed from "135" to "155". Maximum points achievable for Supportive Services (Only) were changed from "140" to "160."

Accordingly, this announcement further amends the NOFA for Public

and Indian Family Investment Centers as published on February 28, 1994 (59 FR 9592), and specifically the Amendment published on July 29, 1994 (59 FR 38617), which increased the points achievable in the ranking factor that addressed the need for services by eligible residents. The Department announces that applications were reviewed and evaluated in accordance with the ranking factors set forth in the original NOFA published February 28, 1994, and did not include the increased number of points specified in the July 29, 1994 amendment. Applications were selected in accordance with ranking guidance set forth in the July 29, 1994 NOFA amendment that allowed that grants may be awarded out of rank order based on project size and geographical diversity. The final ranking list was compiled from lists that included the four top applications (per funding category) per HUD Region; the top applications in states not represented in the former category; and a mix of small, medium and large housing authorities nationwide.

In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (Pub. L. 101-235, approved December 15, 1989), the Department is publishing details regarding the recipients of funding awards. This information is provided in Appendix A to this document.

Dated: January 30, 1995.

Assistant Secretary for Public and Indian Housing.
