**Petition for Waiver of Compliance**

In accordance with 49 CFR §§ 211.9 and 211.41, notice is hereby given that the Federal Railroad Administration (FRA) has received from the Indiana Railway Museum on its behalf and behalf of Mr. David E. McClure, a car owner, a request for waiver of compliance with certain requirements of the Federal rail safety regulations. The petition is described below, including the regulatory provisions involved, the nature of the relief being requested and the petitioner's arguments in favor of relief.

**Indiana Railway Museum (IRM) (French Lick West Baden and Southern Railway) FLWB; Waiver Petition Docket Number SA-94-9**

The IRM seeks a waiver of compliance from certain sections of the Railroad Safety Appliance Standards (49 CFR part 231). IRM is requesting a permanent waiver of the provisions of 49 CFR 231.13(b)(2) requiring that horizontal end handholds be flush with

or project not more than 1-inch beyond surface of end sill and 231.13(b)(3) location: Horizontal, one near each side of each end on face of platform end sill, projecting downward. The IRM request that these requirements be waived for passenger car number FLWB 500 "Indianapolis." Passenger car FLWB 500 was equipped with 480 volt wiring and receptacles which necessitated the B-end horizontal end handholds to be bent outward in excess of 1-inch from the end sill to provide the 2-inch minimum clearance.

Passenger car FLWB 500 "Indianapolis" is privately owned and is available for charter in Amtrak trains, excursion railroads, and may be hauled in freight trains during some movements. The car is also available for use in Mexico.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.
