

**OFFICE OF PERSONNEL
MANAGEMENT****January 1995 Pay Adjustments**

AGENCY: Office of Personnel Management.

ACTION: Notice.

SUMMARY: The Office of Personnel Management, on behalf of the President and the President's Pay Agent, is publishing salary tables incorporating pay adjustments effective on the first day of the first pay period beginning on or after January 1, 1995, for General Schedule (GS) employees in each locality pay area. These salary tables are based on the new 1995 General Schedule, as adjusted by Executive Order 12944 of December 28, 1994 (60 FR 309, January 3, 1995), and the locality-based comparability payments authorized by the President in his November 30, 1994, Memorandum for the President's Pay Agent (59 FR 62549, December 5, 1994). Also included are 1995 salary tables for law enforcement officers, employees in interim geographic adjustment areas, members of the Senior Executive Service,

employees in senior-level and scientific or professional positions, administrative law judges, members of boards of contract appeals, and officials covered by the Executive Schedule. The 1995 General Schedule (exclusive of locality payments) is included because it continues to apply to employees in Alaska, Hawaii, and all areas outside the continental United States, and because it must also be used for certain pay administration purposes for GS employees in locality pay areas. Finally, the definition of each locality pay area also is included.

For the President's Pay Agent.

James B. King,

Director.

**1995 Salary Tables—General Schedule
and Locality Rates of Pay**

Executive Order 12944 puts into effect an across-the-board increase of 2 percent in the rates of basic pay for the General Schedule, the Foreign Service Schedule, and certain schedules for the Veterans Health Administration of the Department of Veterans Affairs. These adjustments are required by Public Law

103-329, and the new schedules became effective on the first day of the first pay period beginning on or after January 1, 1995.

The attached 1995 salary tables also show the locality rates of pay for General Schedule employees in each of the 27 locality pay areas. Locality-based comparability payments are authorized under 5 U.S.C. 5304. The locality rates of pay are computed based on the annual rates of basic pay of the 1995 General Schedule (Salary Table No. 95-GS) and reflect the locality-based comparability payments authorized by the President on November 30, 1994. The locality payments authorized by the President for 1995 range from 3.74 percent to 8.53 percent and replace the locality payments authorized by the President for 1994. The locality rates of pay are considered basic pay for purposes of retirement, life insurance, premium pay, severance pay, and advances in pay. They are also used to compute workers' compensation payments and lump-sum payments for accrued and accumulated annual leave. They are not considered basic pay for any other purpose.

SALARY TABLE NO. 95-GS—1995 GENERAL SCHEDULE, INCORPORATING A 2.00% INCREASE

[Effective January 1995]

1995 Salary Table—Interim Geographic Adjustments

The adjusted rates of pay in Salary Table No. 95-IGA are authorized by section 302 of FEPCA and Executive Order 12944. They reflect an adjustment of 8 percent in all rates of basic pay in the 1995 General Schedule. Regulations for administering interim geographic adjustments are found in 5 CFR part 531, subpart A.

The adjusted rates of pay in Salary Table No. 95-IGA are applicable only to General Schedule employees in the following two Consolidated Metropolitan Statistical Areas (CMSA's): New York-Northern New Jersey-Long Island, NY-NJ-CT-PA and Los Angeles-Riverside-Orange County, CA. Executive Order 12944 terminates IGA's for the San Francisco-Oakland-San Jose, CA CMSA because the locality payment in the San Francisco CMSA (8.14 percent) now exceeds the IGA (8.0 percent). These adjusted rates are considered basic pay for the same purposes as General Schedule locality rates of pay.

NOTE: The adjusted rates of pay above apply only to General Schedule employees in the New York-Northern New Jersey-Long Island, NY-NJ-CT-PA CMSA and the Los Angeles-Riverside-Orange County, CA CMSA.

1995 Salary Tables—Law Enforcement Officers

Law enforcement officers (LEO's) are entitled to the greatest of (1) the applicable special salary rate under 5 U.S.C. 5305; (2) the applicable special law enforcement adjusted rate of pay; or (3) the applicable locality rate of pay.

Special pay adjustments for LEO's with duty stations in selected locations are authorized by section 404 of the Federal Employees Pay Comparability Act of 1990 (FEPCA), as incorporated in section 529 of Public Law 101-509. These adjustments provide LEO's with the greatest pay entitlement in five metropolitan areas in which the adjustment ranges from 8 to 16 percent. (See Salary Tables Nos. 95-BOS (LEO), 95-LA (LEO), 95-NY (LEO), 95-SD (LEO), and 95-SF (LEO).)

Special salary rates for certain LEO's at grades GS-3 through GS-10 in Special Salary Rate Table No. 491 are authorized by section 403 of FEPCA. The 1995 salary tables for LEO's contain the rates of pay applicable to LEO's in each of the 27 locality pay areas. These rates of pay are computed based on the annual rates of basic pay of

the 1995 General Schedule (Salary Table No. 95-GS), including special salary rates for LEO's at grades GS-3 through GS-10 under section 403 of FEPCA, and incorporating the greater of the applicable locality pay adjustment authorized by the President on November 30, 1994, or the special pay adjustment for LEO's under section 404 of FEPCA. A copy of Special Salary Table No. 491 for LEO's is also provided below.

The special law enforcement adjusted rates of pay are considered basic pay for the same purposes as General Schedule locality rates of pay.

1995 Salary Tables—Senior Executive Service, Senior-Level and Scientific or Professional Positions, Administrative Law Judges, and Members of the Boards of Contract Appeals

Executive Order 12944 reflects a decision by the President not to increase the rates of basic pay for members of the Senior Executive Service (SES) in 1995. Like administrative law judges and Contract Appeals Board members, SES members (including SES members in the Federal Bureau of Investigation and the Drug Enforcement Administration) will receive no across-the-board increase in basic pay in 1995. In accordance with 5 U.S.C. 5376, the minimum rate of basic pay for senior-level (SL) and scientific or professional (ST) positions will increase by 2 percent (to \$81,529) because of the 2-percent General Schedule pay adjustment, while

the maximum rate of basic pay remains unchanged (\$115,700), since the rate for level IV of the Executive Schedule remains unchanged.

Under 5 U.S.C. 5304(h) and Executive Order 12883 of November 29, 1993, the President's Pay Agent has extended locality-based comparability payments to members of the Senior Executive Service, administrative law judges, members of the Boards of Contract Appeals, employees in senior-level and scientific or professional positions, members of the Foreign Service, and members of the Senior Foreign Service. The locality rates of pay for affected individuals (other than the Foreign Service and Senior Foreign Service) are shown on Salary Tables Nos. 95-ES (LOC), 95-SL/ST (LOC), 95-AIJ (LOC), and 95-BCA (LOC). These rates of pay are computed based on the scheduled rates of pay for these positions and

reflect the locality payments authorized by the President on November 30, 1994. Salary Tables Nos. 95-ES (LEO) and 95-SL/ST (LEO) contain the special law enforcement adjusted rates of pay for SES members and for employees in senior-level and scientific or professional positions whose official duty stations are located in five special pay adjustment areas. These rates of pay were authorized by section 404 of FEPCA. (The Pay Agent also extended locality payments to certain single-agency categories of non-General Schedule employees. Individual agencies are responsible for calculating these locality payments.)

The locality rates of pay and the special law enforcement adjusted rates of pay are considered basic pay for the same purposes as General Schedule locality rates of pay.

Rates of Basic Pay for Members of the Senior Executive Service, Employees in Senior-Level and Scientific or Professional Positions, Administrative Law Judges, and Members of the Boards of Contract Appeals

Effective January 1995

**Does not include Santa Barbara County or that portion of Edwards Air Force Base outside the Los Angeles-Riverside-Orange County, CA CMSA.

1995 Salary Table—Executive Schedule

The scheduled rates of pay for the Executive Schedule are authorized by 5 U.S.C. 5318 and Executive Order 12944 of December 28, 1994. Public Law 103-329 bars an increase in the rates of pay for the Executive Schedule in 1995.

Rates of Pay for the Executive Schedule

Effective Since January 1993

SALARY TABLE NO. 95—EX—
EXECUTIVE SCHEDULE (EX)

	Annual rate
Level I	\$148,400
Level II	133,600
Level III	123,100
Level IV	115,700
Level V	108,200

Definitions of 1995 Locality Pay Areas

The Pay Agent's report to the President adopted the recommendations made by the Federal Salary Council concerning the boundaries of pay localities for the purpose of locality-based comparability payments. The Council recommended a total of 27 locality pay areas for 1995, including "Rest of U.S." (RUS).

The Federal Salary Council recommended dropping 5 of the 28 locality pay areas established by the Pay Agent for 1994 and combining them with RUS: Memphis, TN-AR-MS; Norfolk-Virginia Beach-Newport News, VA-NC; Oklahoma City, OK; Salt Lake City-Ogden, UT; and San Antonio, TX. These five areas will become part of RUS and will receive the same locality pay percentage as RUS in 1995—3.74 percent. The Council also recommended adding four new locality pay areas in 1995 and removing them from RUS: Columbus, OH; Miami-Fort Lauderdale, FL; Portland-Salem, OR-WA; and Richmond-Petersburg, VA. These areas will receive a higher locality pay percentage than RUS for 1995—4.00 to 5.39 percent.

The definitions of the locality pay areas follow. Unless otherwise noted, all of the components listed below are counties. The geographic codes appear in *Worldwide Geographic Location Codes*, 1993. The geographic codes listed for the majority of the pay areas consist of a two-digit State and three-digit county identifier. Where applicable, city codes were added to the geographic code. Those areas are identified by a two-digit State, four-digit city, and three-digit county code. The District of Columbia is identified by its State code only. The percentage rate of the locality-based comparability

payment is listed by the name of the pay area.

In parts of the Boston and New York pay areas, nine-digit codes are used. This list covers all locations within the boundaries of the pay areas that are listed in *Worldwide Geographic Location Codes*. Some minor civil divisions, which are part of the Office of Management and Budget definition of a CMSA, do not appear here because they have no geographic code. In some instances, there are multiple locations within a single minor civil division that have a geographic code. Each is listed separately here.
