

12d2-2(d) promulgated thereunder, to withdraw the above specified security ("Security") from listing and registration on the American Stock Exchange, Inc. ("Amex").

The reasons alleged in the application for withdrawing the Security from listing and registration include the following:

According to the Company, in addition to being listed on the Amex, the Security is listed on the New York Stock Exchange, Inc. ("NYSE"). The Security commenced trading on the NYSE at the opening of business on December 29, 1994 and concurrently therewith the Security was suspended from trading on the Amex.

According to the Company, the Board of Directors has determined that it does not find any particular advantage in the dual trading of the Security and believes that dual listing would fragment the market for the Security and result in a potentially negative effect upon investors. In making the decision to withdraw the Security from listing on the Amex, the Company also considered the direct and indirect costs and expenses attendant in maintaining the dual listing of its Security on the NYSE and the Amex. These costs include: (1) Listing and maintenance fees charged by each exchange for shares of the Security currently listed and shares that may be issued by the Company in the future, (ii) legal and other expenses that would arise as a result of duplication of filing documents with both the NYSE and the Amex whenever the Company makes any filing with the Commission, and (iii) other expenses relating to duplication of recordkeeping and reporting requirements that would arise from dual listing. The Board of Directors has determined that, in light of its finding that there is no particular advantage in dual trading of the Security, the expenses associated with dual listing would be excessive.

Any interested person may, on or before February 23, 1995, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549, facts bearing upon whether the application has been made in accordance with the rules of the Amex and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,

Secretary.
