12. Florida Power Corp.

[Docket No. ER95-469-000]

Take notice that on January 23, 1995, Florida Power Corporation ("the Company"), tendered for filing a wholesale rate change in its full requirements, partial requirements and transmission rates.

The rates filed reflect a pre-filing settlement agreement between the Company and its municipal customers who elected to participate in pre-filing settlement discussions (Florida Cities) and Seminole Electric Cooperative, Inc. The settlement rates will be extended to customers who elected not to participate in the pre-filing settlement discussions. Under the pre-filing settlement agreement, the rates for all classes of service (except rates for T-1 transmission service, which remained unchanged) will increase on January 1,

1995 in the amount, on a 1995 test year basis, of (1) \$3.5 million to the Florida Cities and other customers in the same class that elected not to participate in the settlement discussions and (2) \$5.1 million to Seminole Electric Cooperative, Inc.

The Company requests the Commission waive the 60-day minimum notice requirement of the Federal Power Act to achieve the January 1, 1995 effective date for the rate changes proposed for that date for (1) the parties to the pre-filing settlement agreement, (2) customers not parties to the pre-filing settlement agreement but consenting to the pre-filing settlement procedures and (3) any other customers who do not oppose the January 1, 1995 effective date. The Company further requests that the rate increases proposed for January 1, 1995 be permitted to become effective without suspension or, if suspended, that the suspension be for the minimum one day period. The Company additionally requests that the Commission establish an effective date of March 24, 1995, sixty days from the date of the filing, for any customers not bound by the pre-filing settlement agreement who oppose the January 1, 1995 effective date. The Company lastly requests that the rate increases be permitted to become effective without suspension, or, if suspended, that the suspension be for the minimum one day period.

The Company states that it has served copies of its filing on the affected customers and the Florida Public Service Commission

Comment date: February 15, 1995, in accordance with Standard Paragraph E at the end of this notice.

13. New England Power Co.

Comment date: February 15, 1995, in accordance with Standard Paragraph E at the end of this notice.

14. Proven Alternatives, Inc.

[Docket No. ER95-473-000]

Take notice that on January 25, 1995, Proven Alternatives, Inc. (PAI), tendered for filing pursuant to 18 CFR 35.12, an application for waivers and blanket approvals under various regulations of the Commission, and an order accepting its Rate Schedule No. 1.

PAI intends to engage in electric power and energy transactions as a

marketer and a broker. In transactions where PAI purchases power, including capacity and related services from electric utilities, qualifying facilities and independent power producers, and resells such power to other purchasers, PAI will be functioning as a marketer. In PAI's marketing transactions, PAI proposes to charge rates mutually agreed upon by the Parties. All sales will be at arms-length, and no sales will be made to affiliated entities. In transactions where PAI does not take title to the electric power and/or energy, PAI will be limited to the role of a broker and charge a fee for its services. PAI is not in the business of producing or transmitting electric power. PAI does not currently have or contemplate acquiring title to any electric power transmission or generation facilities.

Rate Schedule No. 1 provides for the sale of energy and capacity at agreed upon prices. Rate Schedule No. 1 also provides that no sales may be made to affiliates.

Comment date: February 15, 1995, in accordance with Standard Paragraph E at the end of this notice.

15. Arizona Public Service Co.

[Docket No. ER95-474-000]

Take notice that on January 25, 1995, Arizona Public Service Company (APS), tendered for filing Service Agreement under APS-FERC Electric Tariff Original Volume No. 1 (APS Tariff) with the following entity: Citizens Utilities Company

A copy of this filing has been served on the above listed entity and the Arizona Corporation Commission.

Comment date: February 15, 1995, in accordance with Standard Paragraph E at the end of this notice.

16. UGI Utilities, Inc.

[Docket No. ER95-475-000]

Take notice that on January 25, 1995, UGI Utilities, Inc. (UGI), tendered for filing as a rate schedule an agreement which requires Pennsylvania Power & Light Company (PP&L), to reimburse the actual costs of constructing facilities at UGI's Mountain Substation and changes the point of interconnection between the two parties from the existing Montour-Mountain point of interconnection to the proposed Mountain-Susquehanna T-10 interconnection point. The estimated costs of construction is currently \$38,000. UGI proposes that the Agreement become effective as a rate schedule on April 1, 1995. UGI states that the filing has been served upon PP&L and the Pennsylvania Public Utility Commission.

Comment date: February 15, 1995, in accordance with Standard Paragraph E at the end of this notice.

17. Consolidated Edison Company of New York, Inc.

[Docket No. ER95-476-000]

Take Notice that on January 26, 1995, Consolidated Edison Company of New York, Inc. ("Con Edison"), tendered for filing an agreement with Catex Vitol Electric, Inc. ("Catex") to provide for the sale of energy and capacity. For energy sold by Con Edison the ceiling rate is 100 percent of the incremental energy cost plus up to 10 percent of the SIC (where such 10 percent is limited to 1 mill per Kwhr when the SIC in the hour reflects a purchased power resource). The ceiling rate for capacity sold by Con Edison is \$7.70 per megawatt hour. For energy and capacity sold by Catex the rates will be market based.

Con Edison states that a copy of this filing has been served by overnight delivery upon Catex.

Comment date: February 15, 1995, in accordance with Standard Paragraph E at the end of this notice.

18. RIG Gas, Inc.

[Docket No. ER95-480-000]

Take notice that on January 26, 1995, Rig Gas Inc. (Rig) tendered for filing pursuant to Rule 205, 18 CFR 385.205, a petition for waivers and blanket approvals under various regulations of the Commission and for an order accepting its FERC Electric Rate Schedule No. 1 to be effective on the earlier of the date of a Commission order allowing it to become effective on March 27, 1995.

Rig intends to engage in electric power and energy transactions as a marketer and a broker. In transactions where Rig sells electric energy it proposes to make such sales on rates, terms, and conditions to be mutually agreed to with the purchasing party. Rig is not in the business of generating, transmitting, or distributing electric power. Rig is not owned by or affiliated with any entity in the business of generating, transmitting, or distributing electric power.

Rate Schedule No. 1 provides for the sale of energy and capacity at agreed prices. Rate Schedule No. 1 also provides that no sales may be made to affiliate.

Comment date: February 15, 1995, in accordance with Standard Paragraph E at the end of this notice.

19. Zond-PanAero Windsystem Partners I; Zond-PanAero Windsystem Partners II

[Docket Nos. QF84-422-001 and QF85-263-001]

On December 30, 1994, Zond-PanAero Windsystem Partners I and Zond-PanAero Windsystem Partners II (Applicants), c/o Zond Windsystems Management Corporation, of 13000 Jameson Road, Tehachapi, California 93561 submitted for filing two applications to request that a proposed alteration or modification will not result in revocation of qualifying status. No determination has been made that the submittals constitute a complete filing.

According to the Applicants, the small power production facilities (Facility I and Facility II) are located in Riverside County, California, and each consists of wind-powered generator sets. The maximum net electric power production capacity of the facilities are 19.5 MW and 10.4 MW, respectively. Under the Solar, Wind, Waste, and Geothermal Power Production Incentives Act of 1990, as amended (Incentives Act), Eligible Facilities are entitled to the regulatory exemptions afforded in Sections 292.601 and 292.602 of the Commission's Regulations (principally exemptions to the Federal Power Act and the Public Utility Holding Company Act). Applicants state that Facility I and Facility II are Eligible Facilities under the Incentives Act. Applicants further state that Zond Development Corporation (Zond) or one of its affiliates or subsidiaries may acquire Facility I and Facility II in addition to two other wind-powered small power production facilities with a maximum combined net capacity of 18.7 MW. Applicants state that after the acquisition of all four facilities by Zond, the combined capacity of the small power production facilities using the same primary energy source, located within one mile, and owned by Zond could possibly exceed the 30 MW limit contained in Sections 292.601 and 292.602 of the Commissions' Regulations. Applicants request the Commission to determine whether the regulatory exemptions would continue to apply after the acquisitions.

Comment date: Thirty days after the date of publication of this notice in the **Federal Register**, in accordance with Standard Paragraph E at the end of this notice.

Standard Paragraphs

E. Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the

Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 18 CFR 385.214). All such motions or protests should be filed on or before the comment date. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
