

Docket No. RS92-24, *et al.*, submits for filing a report which compares its cash-out revenues with cash-out costs incurred for the annual period November 1, 1993 through October 31, 1994.

Texas Gas states that copies of the filing are being mailed to each of Texas Gas's customers, the parties in Docket No. RS92-24-000.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E. Washington, D.C. 20426, in accordance with 18 CFR 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests should be filed on or before February 28, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the public reference room.

BILLING CODE 6717-01-M

[Docket No. TM95-7-29-001]

Transcontinental Gas Pipe Line Corp.; Notice of Proposed Changes in FERC Gas Tariff

February 3, 1995.

Take notice that on January 31, 1995 Transcontinental Gas Pipe Line Corporation (TGPL) tendered for filing Twentieth Revised Fourth Revised Sheet No. 50 to its FERC Gas Tariff, Third Revised Volume No. 1, which tariff sheet is proposed to be effective February 1, 1995.

TGPL states that the purpose of the instant filing is to supplement TGPL's FT-NT tracking filing on January 20, 1995 in Docket No. TM95-7-29-000 (January 20 Filing) which filing is proposed to be effective January 1, 1995. The instant filing is required in order that the revised Rate Schedule FT-NT rates reflected in TGPL's January 20 Filing be reflected on Sheet No. 50 effective February 1, 1995. In that regard, on December 30, 1994 TGPL filed in Docket No. RP95-113 (December 30 Filing) revised tariff sheets (including a revised Sheet No. 50) which, among other things, eliminated expired producer settlement payment recovery provisions effective

February 1, 1995. The December 30 Filing was accepted to be effective February 1, 1995 by a letter order issued by the Office of Pipeline Regulation on January 23, 1995.

TGPL states that Tariff Sheet No. 50 included in the December 30 Filing reflects the FT-NT rates in effect prior to TGPL's January 20 Filing. Therefore, the instant filing is being made to integrate the revised FT-NT rates proposed effective January 1, 1995 in TGPL's January 20 Filing with the revisions approved in the December 30 Filing effective as of February 1, 1995.

TGPL states that copies of the instant filing are being mailed to its FT-NT customers and interested state commissions.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E. Washington, D.C. 20426, in accordance with § 385.211 of the Commission's Rules and Regulations. All such protests should be filed on or before February 10, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
