

[Docket No. CP94-353-001]

Questar Pipeline Co.; Notice of Amendment to Application

February 3, 1995.

Take notice that on February 1, 1995, Questar Pipeline Company (Questar), 79 South State Street, Salt Lake City, Utah 84111, filed an amendment to its original application in Docket No. CP94-353-000 which was filed pursuant to Section 7(b) of the Natural Gas Act requesting authority to abandon by reclassification to a nonjurisdictional gathering designation its Jurisdictional Lateral (J.L.) No. 21 and Lateral No. 495.

Questar states that it is amending its application pursuant to Section 7(b) of the Natural Gas Act by requesting authority to abandon, by sale, J.L. Nos. 21 and 495 to Luff Exploration Company (Luff). Questar states the sale to Luff will be made pursuant to the terms and conditions of a Facility Sales Agreement dated December 20, 1994. The net book value of the plant investment associated with the facilities proposed to be sold is approximately \$18,550. Questar represents that Luff has stated it will enter into replacement-type gathering agreements with all existing customers to ensure the continuity of gathering services under reasonable terms, conditions and rates.

Any person desiring to be heard or to make any protest with reference to said amendment should on or before February 24, 1995, file with the Federal Energy Regulatory Commission, Washington, DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules. All persons who have heretofore filed need not file again.

Tennessee Gas Pipeline Co.; Notice of Technical Conference

February 3, 1995.

Staff is convening a technical conference in the above dockets starting at 9:00 am on March 6, 1995, to explore and possibly resolve issues raised by the filings in the various dockets. Because of the large number of issues to be covered, staff is prepared for the conference to go through the entire week if necessary to cover the issues. An agenda and location for the conference will be announced in a subsequent notice. In order to have a sufficiently sized room, it is requested that any party planning to attend the conference, notify staff by February 15, 1995, that they will be attending and the number of representatives. Parties desiring to make presentations at the conference are encouraged to join with others sharing the same interest and inform staff of their requests as soon as possible. Any questions concerning the conference should be directed to Christopher Young at (202) 208-0620 or Robert McLean at (202) 208-1179.

[Docket No. TM95-7-29-001]

Transcontinental Gas Pipe Line Corp.; Notice of Proposed Changes in FERC Gas Tariff

February 3, 1995.

Take notice that on January 31, 1995 Transcontinental Gas Pipe Line Corporation (TGPL) tendered for filing Twentieth Revised Fourth Revised Sheet No. 50 to its FERC Gas Tariff, Third Revised Volume No. 1, which tariff sheet is proposed to be effective February 1, 1995.

TGPL states that the purpose of the instant filing is to supplement TGPL's FT-NT tracking filing on January 20, 1995 in Docket No. TM95-7-29-000 (January 20 Filing) which filing is proposed to be effective January 1, 1995. The instant filing is required in order that the revised Rate Schedule FT-NT rates reflected in TGPL's January 20 Filing be reflected on Sheet No. 50 effective February 1, 1995. In that regard, on December 30, 1994 TGPL filed in Docket No. RP95-113 (December 30 Filing) revised tariff sheets (including a revised Sheet No. 50) which, among other things, eliminated expired producer settlement payment recovery provisions effective

February 1, 1995. The December 30 Filing was accepted to be effective February 1, 1995 by a letter order issued by the Office of Pipeline Regulation on January 23, 1995.

TGPL states that Tariff Sheet No. 50 included in the December 30 Filing reflects the FT-NT rates in effect prior to TGPL's January 20 Filing. Therefore, the instant filing is being made to integrate the revised FT-NT rates proposed effective January 1, 1995 in TGPL's January 20 Filing with the revisions approved in the December 30 Filing effective as of February 1, 1995.

TGPL states that copies of the instant filing are being mailed to its FT-NT customers and interested state commissions.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E. Washington, D.C. 20426, in accordance with § 385.211 of the Commission's Rules and Regulations. All such protests should be filed on or before February 10, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Transcontinental Gas Pipe Line Corp.; Noticed of Tariff Filing

February 3, 1995.

Take notice that on January 31, 1995, Transcontinental Gas Pipe Line Corporation (TGPL), tendered for filing certain revised tariff sheets to its FERC Gas Tariff, Original Volume No. 2, which tariff sheets are enumerated in the appendix attached to the filing. Such tariff sheets are proposed to be effective February 1, 1995.

TGPL states that the purpose of the instant filing is to revise certain tariff sheets to eliminate expired producer settlement payment recovery provisions.

TGPL states that copies of the instant filing are being mailed to customers, State Commissions and other interested parties.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E. Washington,

D.C. 20426, in accordance with §§ 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests should be filed on or before February 10, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Transcontinental Gas Pipe Line Corp.; Notice of Proposed Changes in FERC Gas Tariff

February 3, 1995.

Take notice that on January 31, 1995, Transcontinental Gas Pipe Line Corporation (TGPL) tendered for filing certain revised tariff sheets to its FERC Gas Tariff, Third Revised Volume No. 1, which tariff sheets are enumerated in Appendix A attached to the filing. Such tariff sheets are proposed to be effective on February 1, 1995.

TGPL states that the purpose of the instant filing is to revise currently effective tariff provisions to comport with the requirements of Order Nos. 566 and 566-A. TGPL has requested a waiver of the notice requirements of Section 154.22 of the Commission's Regulations to the extent necessary to permit the tariff sheets to become effective February 1, 1995.

TGPL states that copies of the filing are being mailed to each of its customers, State Commissions and other interested parties.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests should be filed on or before February 10, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding.
