FEDERAL MARITIME COMMISSION

[Docket No 94-20]

Cancellation of Tariffs for Failure To Comply With Automated Tariff Filing and Information System ("ATFI") Filing Requirements

By Order published in the **Federal Register** (59 F.R. 52165) on October 14, 1994, ("October Order"), the Commission directed 243 carriers, conferences and marine terminal operators to show cause why the Commission should not cancel their tariffs or essential terms publications on file in paper format. The parties named as respondents to his proceeding had failed to cancel their essential terms publication and/or failed to convert their tariffs to ATFI format. This action was taken pursuant to section 8 of the Shipping Act of 1984, 46 U.S.C. app § 1707, the Commission's regulations implementing ATFI at 46 C.F.R. Part 514, and Supplemental Reports Nos. 2, 3 and 4¹ issued in Docket No. 90-23, *Notice of Inquiry on Ocean Freight Tariffs in Foreign and Domestic Offshore Commerce (Automated Tariff Filing and Information System)*.

Written responses were received from or on behalf of 45 parties. The responses of 24 carriers, conferences or marine terminal operators requested that the tariffs or essential terms publications subject to the October Order be cancelled or stated that cancellations had been issued.² The responses of 13

¹ *Supplemental Report No. 2*, served August 4, 1992; *Supplemental Report No. 3* (57 Fed. Reg. 59,999) and *Supplemental Report No. 4* (58 Fed. Reg. 31,522) advised carriers that failure to convert tariffs to ATFI format by the scheduled filing dates would subject them to show cause proceedings.

Moreover, section 502(b)(1) of Public Law 102-582 ("P.L. 102-582") requires all tariffs and essential terms of service contracts filed with the Commission to be in electronic format.

² These are: ADM/Growmark River System, Inc.; American Africa Europe Line GmbH; Australia-Eastern U.S.A. Shipping Conference; Baltimore Forest Products Terminals, Concorde Line Central American Service; Continental North Atlantic Westbound Freight Conference; Cool Carriers (Svenska) AB; D.B. Turkish Cargo Lines; Dole fresh Fruit Company which has been renamed Dole

carriers and marine terminal operators stated that ATFI tariffs had been filed prior to the issuance of the October Order.³ Commission records conform that ATFI tariffs are now on file for these parties. Nine other carriers and marine terminal operators filed ATFI tariffs subsequent to the issuance of the October Order.⁴ Five respondents cancelled their tariffs without otherwise submitting written responses in this proceeding.⁵ One carrier's tariff was cancelled for failure to maintain active evidence of non-vessel-operating common carrier financial responsibility.⁶ These carriers, conferences and marine terminal operators will be dismissed from this proceeding.

Other responses to the October Order merely provided further information but did not cancel their paper-format tariffs or essential terms. Distribution Publications, Inc. responded on behalf of Parr Terminal Railroad and stated that this firm is not a marine terminal operator subject to the Commission's tariff filing requirements and that the tariff had been filed for informational purposes only.

South Europe American Conference Responded on behalf of the Greece Westbound Conference stating that it believed the October Order referred to the Greece/USA Rate Agreement which had been disbanded. This does not appear to be correct. The Commission has on file an essential terms publication published on behalf of Agreement No. 202-009238, the assigned agreement number for the Greece Westbound Conference.

Ocean Liner Express; Gateways International, Inc.; Hapag-Lloyd, A.G.; Lauritzen Reefers A./S.; Mares Transport; Navieros Interamericanos, S.A.; Mobile River Terminal Company; Nissui Shipping Corporation; North Atlantic Westbound Freight Association; Pacific Ocean Express, Inc.; Scandinavia Baltic U.S. North Atlantic Freight Conference; South and East Africa/USA Conference; Southern Freight Tariff Bureau; Traffic Executive Assoc.—Eastern Railroad; United Arab Shipping Company (S.A.G.); and Wolfgang Jobmann GmbH.

³These are: Air & Sea Inc.; Ben Federico Freight Consolidator, Inc.; Container Management, Inc.; Dorick Navigation, S.A.; Inter-Shipping Chartering Co.; Island Shipping and Trading Ltd.; Jackson Shipping, Inc.; Portuguese American Export Line, Inc.; Sea-Barge Inc.; Sunshine Express Line Inc.; Top Freight Systems, Inc.; Universal Alco Ltd.; and Y II Shipping Company Limited.

⁴These are: Alaska Cargo Transport, Inc.; Centroline, Inc.; Imex Shipping Group, Inc.; Jacksonville Caribbean Broker Services, Inc.; Omega Shipping (CA), Inc.; Savannah Sound Maritime Company Limited; Sesko Marine Trailers, Inc.; Tientsin Marine Shipping Company and Westvaco Corporation.

⁵These are: Midwest Machinery Movers, Inc.; Trans-Atlantic American Flag Liner Operators; Seth Shipping Corp.; Southern Oceans Container Line Limited; and Compagnie Maritime Marfret.

⁶This is: Frata Container Lines Pte. Ltd.

Transportation Services, Inc. named four carriers that it previously represented and stated that it believed that these firms are out of business.⁷ The name carriers did not otherwise respond to the October order.

One response was received from a person maintaining the post office box of one of the respondents, Osborne Truck Line, Inc. and stated that the respondent is no longer at that address and could not be located. Another response was received from a firm stating that it had unsuccessfully attempted to forward the October Order to Container Express Lines Inc., but was unable to locate its current address.

None of the carriers, conferences and marine terminal operators referred to above have shown good cause why their paper-format tariffs or essential terms publications should not be cancelled. Accordingly the tariffs published by these carriers will be cancelled.

The 191 carriers, conferences and marine terminals listed in Appendix A that did not respond to the October Order and that did not comply with ATFI tariff filing requirements also will have their paper tariffs or essential terms publications cancelled.

The 52 carriers, conferences and marine terminal operators listed in Appendix B that have complied with the filing requirements or that have cancelled their tariffs will be dismissed from this proceeding.

Therefore, it is ordered that the paper tariffs or essential terms publications for the carriers, conferences or marine terminal operators identified in Appendix A to this Order are cancelled effective five days from publication of this Order in the **Federal Register**.

It is further ordered, that the parties listed in Appendix B to this Order are dismissed from this proceeding.

By the Commission.

Joseph C. Polking,
Secretary.
