The objective review process ensures a nationwide competition for limited funding. The ORC will be comprised of IHS (40% or less) and other Federal or non-Federal individuals (60% or more) with appropriate expertise. The ORC will review each application against established criteria. Based upon the evaluation criteria, the reviewers will assign a numerical score to each application, which will be used in making the final funding decision. Approved applications scoring less than 60 points will not be considered for funding.

M. Results of the Review

The results of the objective review are forwarded to the Director, Division of Health Professions Recruitment and Training (DHPRT), for final review and approval. The Director, DHPRT, will also consider the recommendations from the Grants Management Branch. Applicants are notified in writing on or about August 1, 1995. A Notice of Grant Award will be issued to successful applicants. Unsuccessful applicants are notified in writing of disapproval.
