AGENCY: National Highway Traffic Safety Administration, Transportation.

ACTION: Notice of NHTSA industry meetings.

SUMMARY: This notice announces a public meeting at which NHTSA will answer questions from the public and the automobile industry regarding the agency's safety performance standards, safety assurance and other programs. In addition, NHTSA will hold a separate public meeting to describe and discuss specific research and development projects.

DATES: The Agency's regular, quarterly public meeting relating to the agency's safety performance standards, safety assurance and other programs will be held on March 29, 1995, beginning at 9:45 a.m. and ending at approximately 12:30 p.m. Questions relating to the agency's safety performance standards, safety assurance and other programs must be submitted in writing by March 20, 1995, to the address shown below. If sufficient time is available, questions received after the March 20 date may be answered at the meeting. The individual, group or company submitting a question(s) does not have to be present for the question(s) to be answered. A consolidated list of the questions submitted by March 20, 1995, and the issues to be discussed will be mailed to interested persons by March 23, 1995, and will be available at the meeting.

Also, the agency will hold a second public meeting on March 28, devoted exclusively to a presentation of research and development programs.

The meeting will begin at 1:30 p.m. and end at approximately 5:00 p.m. This meeting is described more fully in a separate announcement.

ADDRESSES: Questions for the March 29, NHTSA Technical Industry Meeting, relating to the agency's safety performance standards and safety assurance programs should be submitted to Barry Felrice, Associate Administrator for Safety Performance Standards, NPS-01, National Highway Traffic Safety Administration, Room 5401, 400 Seventh Street SW., Washington, DC 20590.
