**K N Interstate Gas Transmission Co.;  
Notice of Request Under Blanket  
Authorization**

February 9, 1995.

Take notice that on February 2, 1994, K N Interstate Gas Transmission Co. (K N Interstate), P.O. Box 281304, Lakewood, Colorado 80228-8304, filed in Docket No. CP95-193-000 a request pursuant to Sections 157.205 and 157.212 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.212) for authorization to construct and operate three new natural gas delivery points for K N Energy, Inc. (K N) under K N Interstate's blanket certificate issued in Docket No. CP83-140-000, *et al.*, pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

K N Interstate proposes to construct and operate three new delivery taps located in Clay, Dawes and Hamilton Counties, Nebraska for use under an existing transportation agreement between K N Interstate and K N. K N Interstate states that it would deliver approximately 4 Mcf on a peak day and 5,040 annually through the Clay tap, and 5,880 Mcf on a peak day and 1,800,000 Mcf annually through the Hamilton tap. K N Interstate estimates that the Dawes tap would cost \$400, the Clay tap would cost \$1,150 and the Hamilton tap would cost \$145,000. K N Interstate asserts that the addition of the proposed delivery points would not have any adverse impact on its existing customers.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If not protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
