Background

The Risk Assessment and Management Commission held its first

meeting on May 16, 1994 **Federal Register** 59/FR 22615/Vol. 59, No. 83, May 2, 1994.) The Commission was established by Congress to make a full investigation of the policy implications and appropriate uses of risk assessment and risk management in regulatory programs under various Federal laws.

It is expected that the Commission members will continue their inquiries and discussions on the five topical areas mandated by Congress: review of the National Research Council's report *Science and Judgment in Risk Assessment* (1994); uses and limitations of risk assessment in decision-making; appropriate exposure scenarios; uncertainty and risk communication; risk management policy issues; and cross-agency consistency.

For additional information about the Commission and copies of the agenda, please call Joanna Foellmer at 703-308-8087.

Dated: February 9, 1995.

Gail Charnley,

Executive Director, Commission on Risk Assessment and Risk Management.
