

appeal regulation become effective. The decision on this proposed action will be subject to Forest Service appeal regulations (36 CFR part 215).

RESPONSIBLE OFFICIAL: The responsible official who will make the decision regarding this proposal is Charles R. Bazan, Forest Supervisor, Tonto National Forest, 2324 E. McDowell, Phoenix, Arizona 85006. He will decide under what circumstances the mining operations may proceed.

SUPPLEMENTARY INFORMATION: The original plan proposed three open pits over 370 acres. The revised plan proposes four open pits over 435 acres. Disturbance area has increased from approximately 1250 acres to 1447 acres. The ore reserves have increased from 54–70 million tons to 100 million tons. Mine rock (overburden or nonmineralized rock to be removed) increased from 130 million to 211 million tons, however, the extent of mine rock dumps will not be increased due to the proposed partial backfilling of the pits. The project life has increased from 10–12 years to 18 years and the number of employees increased from 225 to 280–300. The mining rate has increased from 19 million tons per year to 24 million tons per year. The separate leach solution and overflow ponds have been incorporated within the leach pad so only the raffinate solution pond will be exposed. The estimated average annual water requirement of 750 gallons per minute has not substantially increased although dry-period demands are estimated to reach 1200 gallons per minute. Locations of access roads, powerline corridors and facilities have also been relocated.

Dated: December 15, 1994.

Charles R. Bazan,
Forest Supervisor.

Agency Form Under Review by the Office of Management and Budget

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of the Census.

Title: 1995 Census Test – Integrated Coverage Measurement (Housing Unit Follow–up).

Form Number(s): DG–1377.

Agency Approval Number: None.

Type of Request: New collection–EXPEDITED REVIEW.

Burden: 330.

Number of Respondents: 2,241.

Avg Hours Per Response: 5 minutes.

Needs and Uses: Prompted by the need to improve estimation techniques during the decennial census, the Census Bureau has developed an Integrated Coverage Measurement (ICM) approach to be tested during the 1995 Census Test. The ICM approach will utilize a separately sampled group of blocks within the 1995 Census Test sites which will be independently listed and then interviewed in addition to being enumerated in the census test. We will reconcile differences between the independent roster obtained in the ICM interviews and the census test results. This reconciliation will allow us to measure our coverage of persons in missed housing units and coverage of persons missed within housing units enumerated in the census test. Before ICM interviews are conducted, the independent listing will be enhanced by matching to existing census records. We will use the Housing Unit Follow–up Form to resolve non–matches and duplicate addresses. ICM interviews will then be conducted at housing units on the “enhanced listing.”

Affected Public: Individuals or households.

Frequency: One–time.

Respondent's Obligation: Mandatory.

OMB Desk Officer: Maria Gonzalez, (202) 395–7313.

Foreign-Trade Zones Board

[Docket 4–95]

Pier 1 Imports, Inc. (Home Furnishings, Housewares and Gift Products)
Application for Subzone Status; Grove City, OH

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Rickenbacker Port Authority, grantee of FTZ 138, requesting special-purpose subzone

status for a distribution facility of Pier 1 Imports, Inc., located in Grove City, Ohio, within the Columbus, Ohio port of entry area. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR Part 400). It was formally filed on February 8, 1995.

Pier 1 is a nationwide retailer of home furnishings, housewares, clothing, fashion accessories, and gifts, headquartered in Fort Worth, Texas. The company operates 586 stores in North America with total sales of \$700 million. Pier 1 has seven distribution centers in the United States.

Pier One's Grove City distribution facility (527,000 sq. ft. on a 30-acre site) is located at 3500 Southwest Boulevard in Grove City, Ohio, some 5 miles west of Columbus. It is used to distribute a wide range of consumer products, most of which are of foreign origin. While the company currently uses the facility (46 employees) to supply Pier 1 stores only in the northeastern United States, it plans to expand the plant to accommodate the relocation of Canadian distribution operations to the Grove City site.

Zone procedures would exempt Pier 1 from Customs duty payments on the foreign products that are reexported. On domestic sales, the company would be able to defer Customs duty payments. Foreign materials and finished products held for export would be eligible for an exemption from certain state and local ad valorem taxes. The application indicates that the use of zone procedures at the facility is needed for the proposed Canadian export activity.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment on the application is invited from interested parties. Submissions (original and three copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period of their receipt is April 17, 1995. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to May 2, 1995.

A copy of the application and the accompanying exhibits will be available for public inspection at each of the following locations:

Foreign-Trade Zone 39—Dallas/Fort Worth, Texas, Pier 1 Imports, Inc. (Home Furnishings, Housewares and Gift Products); Application for Subzone Status, Mansfield, TX

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Dallas/Fort Worth International Airport Board, grantee of FTZ 39, requesting special-purpose subzone status for a distribution facility of Pier 1 Imports, Inc., located in Mansfield, Texas, within the Dallas/Fort Worth port of entry area. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on February 7, 1995.

Pier 1 is a nationwide retailer of home furnishings, housewares, clothing, fashion accessories, and gifts, headquartered in Fort Worth, Texas. The company operates 586 stores in North America with total sales of \$700 million. Pier 1 has seven distribution centers in the United States.

Pier One's Mansfield distribution facility (460,000 sq. ft. on 29-acre site) is located at 2200 Heritage Parkway in Mansfield, Texas, some 15 miles east of Fort Worth. It is used to distribute a wide range of consumer products, most of which are of foreign origin. While the company currently uses the facility (52 employees) to supply Pier 1 stores in the southwestern United States and three Pier 1 stores in Mexico, it plans to expand the plant for new international distribution activity as part of an overall company effort to increase exports to Mexico and other Latin American markets.

Zone procedures would exempt Pier 1 from Customs duty payments on the foreign products that are reexported. On domestic sales, the company would be able to defer Customs duty payments. Foreign materials and finished products held for export would be eligible for an exemption from certain state and local ad valorem taxes. The application indicates that the use of zone
