

status for a distribution facility of Pier 1 Imports, Inc., located in Grove City, Ohio, within the Columbus, Ohio port of entry area. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR Part 400). It was formally filed on February 8, 1995.

Pier 1 is a nationwide retailer of home furnishings, housewares, clothing, fashion accessories, and gifts, headquartered in Fort Worth, Texas. The company operates 586 stores in North America with total sales of \$700 million. Pier 1 has seven distribution centers in the United States.

Pier One's Grove City distribution facility (527,000 sq. ft. on a 30-acre site) is located at 3500 Southwest Boulevard in Grove City, Ohio, some 5 miles west of Columbus. It is used to distribute a wide range of consumer products, most of which are of foreign origin. While the company currently uses the facility (46 employees) to supply Pier 1 stores only in the northeastern United States, it plans to expand the plant to accommodate the relocation of Canadian distribution operations to the Grove City site.

Zone procedures would exempt Pier 1 from Customs duty payments on the foreign products that are reexported. On domestic sales, the company would be able to defer Customs duty payments. Foreign materials and finished products held for export would be eligible for an exemption from certain state and local ad valorem taxes. The application indicates that the use of zone procedures at the facility is needed for the proposed Canadian export activity.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment on the application is invited from interested parties. Submissions (original and three copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period of their receipt is April 17, 1995. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to May 2, 1995.

**[Docket 3-95]**

**Foreign-Trade Zone 39—Dallas/Fort Worth, Texas, Pier 1 Imports, Inc. (Home Furnishings, Housewares and Gift Products); Application for Subzone Status, Mansfield, TX**

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Dallas/Fort Worth International Airport Board, grantee of FTZ 39, requesting special-purpose subzone status for a distribution facility of Pier 1 Imports, Inc., located in Mansfield, Texas, within the Dallas/Fort Worth port of entry area. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on February 7, 1995.

Pier 1 is a nationwide retailer of home furnishings, housewares, clothing, fashion accessories, and gifts, headquartered in Fort Worth, Texas. The company operates 586 stores in North America with total sales of \$700 million. Pier 1 has seven distribution centers in the United States.

Pier One's Mansfield distribution facility (460,000 sq. ft. on 29-acre site) is located at 2200 Heritage Parkway in Mansfield, Texas, some 15 miles east of Fort Worth. It is used to distribute a wide range of consumer products, most of which are of foreign origin. While the company currently uses the facility (52 employees) to supply Pier 1 stores in the southwestern United States and three Pier 1 stores in Mexico, it plans to expand the plant for new international distribution activity as part of an overall company effort to increase exports to Mexico and other Latin American markets.

Zone procedures would exempt Pier 1 from Customs duty payments on the foreign products that are reexported. On domestic sales, the company would be able to defer Customs duty payments. Foreign materials and finished products held for export would be eligible for an exemption from certain state and local ad valorem taxes. The application indicates that the use of zone

procedures at the facility is needed for proposed export activity.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.
