

each permit application into the City of Austin Balcones Canyonlands Conservation Fund to acquire/manage lands for the conservation of the golden-cheeked warbler.

Alternatives to this action were rejected because selling or not developing the subject property with federally listed species present was not economically feasible.

**James A. Young,**

*Acting Regional Director, Region 2,  
Albuquerque, New Mexico.*

### Notice of Availability of the Wells Resource Management Plan Proposed Elk Amendment and Environment Assessment

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of availability.

**SUMMARY:** The Wells Resource Management Plan Proposed Elk Amendment and Environmental Assessment is available to the public for a 30-day review and protest period. The proposed amendment analyzes the impacts of several alternatives for managing elk in the BLM's Wells Resource Area, Elko County, Nevada. **DATES:** A 30-day protest period begins on February 23, 1995. Any protests on the proposed plan amendment must be postmarked no later than March 24, 1995.

**ADDRESSES:** Protests must be filed with the Director, Bureau of Land Management, Resource Planning Team (WO-480), P.O. Box 65775, Washington, D.C. 20035.

Copies of the proposed amendment may be obtained by writing to: Wells Resource Area, Bureau of Land Management, P.O. Box 831, Elko, Nevada, 89803. Copies may also be picked up in person at the Elko District Office, 3900 E. Idaho Street, Elko, Nevada.

**FOR FURTHER INFORMATION CONTACT:** Bill Baker, Wells Resource Area Manager, at the above Elko, Nevada address or telephone (702) 753-0200.

**SUPPLEMENTARY INFORMATION:** Through a review of elk habitat management in the Wells Resource Area, it was determined that elk numbers and habitat use areas are expanding from those identified in the Wells Resource Management Plan Record of Decision, approved July 16, 1985. Elk are recognized as highly adaptable creatures and during recent years have pioneered from the Pilot Mountain Management Area, northwest Utah, and southern Idaho to adjacent previously unoccupied habitats in the Wells Resource Area.

The purpose of this amendment is to establish elk habitat management areas, identify habitat requirements and specific management objectives and practices, establish target elk population management levels, develop factors for
