Native American Business Development Center Applications: Oklahoma

AGENCY: Minority Business Development Agency, Commerce.
ACTION: Notice.

SUMMARY: In accordance with Executive Order 11625 and 15 U.S.C. 1512, the Minority Business Development Agency (MBDA) is soliciting competitive applications for its Oklahoma Native American Business Development Center (NABDC).

The purpose of the NABDC is to provide integrated business

development services to Native American entrepreneurs. The recipient will provide service in the Oklahoma Metropolitan Area. The award number of the NABDC will be 06-10-95009-01.

DATES: The closing date for applications is March 20, 1995. Applications must be received on or before March 20, 1995. Anticipated processing time of this award is 120 days. A pre-application conference will be held on March 1, 1995, at 2:00 p.m., at the Dallas Regional Office, 1100 Commerce Street, Room 7B23, Dallas, Texas 75242, (214) 767-8001.

ADDRESSES: U.S. Department of Commerce, Minority Business Development Agency, MBDA Executive Secretariat, 14th and Constitution Avenue, N.W., Room 5073, Washington, D.C. 20230, (202) 482-3763.

FOR FURTHER INFORMATION, CONTACT: Demetree Jenkins at (214) 767-8001.

SUPPLEMENTARY INFORMATION: The funding instrument for this project will be a cooperative agreement. Contingent upon the availability of Federal funds, the cost of performance for the first budget period (13 months) from August 1, 1995 to August 31, 1996, is estimated at \$254,200. The total Federal amount is \$254,200 and is composed of \$248,000 plus the Audit Fee amount of \$6,200.

Competition is open to individuals, non-profit and for-profit organizations, state and local governments, American Indian tribes and educational institutions. Applications will be evaluated on the following criteria: the experience and capabilities of the firm and its staff in addressing the needs of the business community in general and, specifically, the special needs of Native American businesses, individuals and organizations (45 points), the resources available to the firm in providing business development services (10 points); the firm's approach (techniques and methodologies) to performing the work requirements included in the application (25 points); and the firm's estimated cost for providing such assistance (20 points).

An application must receive at least 70% of the points assigned to each evaluation criteria category to be considered programmatically acceptable and responsive. Those applications determined to be acceptable and responsive will then be evaluated by the Director of MBDA. Final award selections shall be based on the number of points received, the demonstrated responsibility of the applicant, and the determination of those most likely to further the purpose of the MBDA program. Negative audit findings and recommendations and unsatisfactory

performance under prior Federal awards may result in an application not being considered for funding. The applicant with the highest point score will not necessarily receive the award.

If an application is selected for funding, MBDA has no obligation to provide any additional future funding in connection with that award. Renewal of an award to increase funding or extend the period of performance is at the total discretion of MBDA.

Executive order 12372, "Intergovernmental Review of Federal Programs," is not applicable to this program. Federal funds for this project include audit funds for non-CPA recipients. In event that a CPA firm wins the competition, the funds allocated for audits are not applicable. The collection of information requirements for this project have been approved by the Office of Management and Budget (OMB) and assigned OMB control number 0640-0006. Questions concerning the preceding information can be answered by the contact person indicated above, and copies of application kits and applicable regulations can be obtained at the above address.

Pre-Award Activities—Applicants are hereby notified that if they incur any costs prior to an award being made, they do so solely at the risk of not being reimbursed by the Government. Notwithstanding any verbal assurance that an applicant may have received, there is no obligation on the part of the Department of Commerce to cover pre-award activities.

Recipients and subrecipients are subject to all Federal laws, and Federal and Departmental regulations, policies, and procedures applicable to Federal financial assistance awards.

Delinquent Federal Debts—No award of Federal funds shall be made to an applicant who has an outstanding delinquent Federal debt until either the delinquent account is paid in full, repayment schedule is established and at least one payment is received, or other arrangements satisfactory to the Department of Commerce are made.

Name Check Policy—All non-profit and for-profit applicants are subject to a name check review process. Name checks are intended to reveal if any key individuals associated with the applicant have been convicted of or are presently facing criminal charges such as fraud, theft, perjury or other matters which significantly reflect on the applicant's management honesty or financial integrity.

Award Termination—The Departmental Grants Officer may terminate any cooperative agreement in

whole or in part at any time before the date of completion whenever it is determined that the award recipient has failed to comply with the conditions of the cooperative agreement. Examples of some of the conditions which can cause termination are failure to meet cost-sharing requirements; unsatisfactory performance of the NABDC work requirements; and reporting inaccurate or inflated claims of client assistance. Such inaccurate or inflated claims may be deemed illegal and punishable by law.

False Statements—A false statement on an application for Federal financial assistance is grounds for denial or termination of funds, and grounds for possible punishment by a fine or imprisonment as provided in 18 U.S.C. 1001.
