DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Judgment Pursuant to the Clean Water Act

In accordance with Departmental Policy, 28 CFR 50.7, notice is hereby given that a Consent Judgment in *United States v. Bostic, et al.*, Civil No. 92-101-4 (E.D.N.C.), was lodged with the United States District Court for the Eastern District of North Carolina on November 8, 1994.

The Consent Judgment concerns alleged violations of section 301(a) of the Clean Water Act, 33 U.S.C. 1311(a), resulting from the defendants' unauthorized conversion of 147 acres of pocosin wetlands on a 194-acre site in Onslow County, North Carolina. Before agreeing to the terms of the Consent Judgment, defendants completed restoration of part of the property to the satisfaction of the U.S. Environmental Protection Agency ("EPA"), the U.S. Army Corps of Engineers ("Corps"), and North Carolina state erosion experts. Under the Consent Judgment, defendants would admit liability for their violations and agree to pay a \$60,000 civil penalty to the United States. They would further agree to establish a buffer zone along the southern edge of the violation site to protect nearby Mill Creek from future erosion or development and to then transfer title of this buffer zone to an approved third party grantee, such as the North Carolina Coastal Land Trust, within 180 days of signing the Consent Judgment. Failure to create the buffer zone or to comply with the transfer of title provision would result in the payment to the United States of an additional \$40,000 in stipulated penalties.

The Department of Justice will receive written comments relating to the proposed Consent Decree for a period of 30 days from the date of publication of this notice. Comments should be addressed to Russell Young, Esquire, U.S. Department of Justice, Environmental Defense Section, P.O. Box 23986, Washington, D.C. 20026-3986, should refer to *United States v.
