

(A) Self-Regulatory Organization's Statement of the Purpose of, and the Statutory for, the Proposed Rule Change

The purpose of the proposed rule change is to provide investors with the ability to trade additional long-term options by permitting the listing of index options with up to 60 months until expiration. The Exchange represents that the proposed five year long-term options are in response to increasing investor interest in longer-term instruments. In the Exchange's opinion, such instruments will enable investors to trade based on long-term projections, providing added flexibility and trading opportunities in index options trading. The proposed amendment to Rule 1101A will permit five-year long-term options in all of the index options traded on the Phlx, both market (*i.e.*, broad-based indexes) and industry (*i.e.*, narrow-based indexes).

The Exchange believes that the foregoing rule change proposal is consistent with Section 6 of the Act, in general, and with Section 6(b)(5), in particular, in that it is designed to promote just and equitable principles of trade, and remove impediments to and perfect the mechanism of a free and open market, by providing additional trading opportunities for investors.

(B) Self-Regulatory Organization's Statement on Burden on Competition

The Phlx does not believe that the proposed rule change will impose any inappropriate burden on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve such proposed rule change, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Section, 450 Fifth Street, N.W., Washington, D.C. Copies of such filing will also be available for inspection and copying at the principal office of the Phlx.
