BILLING CODE 4210-01-M

[Docket No. N-95-3890; FR 3882-N-01]

Privacy Act of 1974; Notice of a Computer Matching Program

AGENCY: Office of the Secretary, HUD.

ACTION: Notice of a Computer Matching Program—HUD and Department of Veterans Affairs (DVA).

SUMMARY: In accordance with the Privacy Act of 1974 (5 U.S.C. 552a), as amended by the Computer Matching and Privacy Protection Act of 1988 (Pub. L. 100-503), and the Office of Management and Budget (OMB) Guidelines on the Conduct of Matching Programs (54 FR 25818 (June 19, 1989)), and OMB Bulletin 89-22, "Instructions on Reporting Computer Matching Programs to the Office of Management and Budget (OMB), Congress and the Public," the Department of Housing and Urban Development (HUD) is issuing a public notice of its intent to conduct a computer matching program with the Department of Veterans Affairs (DVA) to utilize a computer information system of HUD, the Credit Alert Interactive Voice Response System (CAIVRS), with DVA's debtor files. This match will allow prescreening of applicants for loans or loans guaranteed by the Federal Government to ascertain if the applicant is delinquent in paying a debt owed to or insured by the Federal Government for HUD or DVA direct or guaranteed loans. Before granting a loan, the lending agency and/or the authorized lending institution will be able to interrogate the CAIVRS debtor file which contains the Social Security Numbers (SSNs) of HUD's delinquent debtors and defaulters and defaulted debtor records from the Departments of Veterans Affairs, Education, Agriculture, and the Small Business Administration, and verify that the loan applicant is not in default or delinquent on direct or guaranteed loans of participating Federal programs of either agency. Authorized users place a telephone call to the system. The system

provides a recorded message followed by a series of instructions, one of which if a requirement for the SSN of the loan applicant. The system then reports audibly whether the SSN is related to delinquent or defaulted Federal obligations. As a result of the information produced by this match, the authorized users may not deny, terminate, or make a final decision of any loan assistance to an applicant, until an officer or employee of such agency has independently verified such information.

EFFECTIVE DATE: Computer matching is expected to begin at least 40 days from the date this computer matching notice is published, provided no comments are received which would result in a contrary determination. It will be accomplished 18 months from the beginning date.

ADDRESSES: Interested persons are invited to submit comments regarding this notice to the Rules Docket Clerk, Office of General Counsel, Room 10276, Department of Housing and Urban Development, 451 7th Street SW., Washington, DC 20410. Communications should refer to the above docket number and title. A copy of each communication submitted will be available for public inspection and copying between 7:30 a.m. and 5:30 p.m. weekdays at the above address.

Reporting

In accordance with Pub. L. 100-503, the Computer Matching and Privacy Protection Act of 1988, as amended, and Office of Management and Budget Bulletin 89-22, "Instructions on Reporting Computer Matching Programs to the Office of Management and Budget (OMB), Congress and the Public;" copies of this Notice and report, in duplicate, are being provided to the

Committee on Government Operations of the House of Representatives, the Committee on Governmental Affairs of the Senate, and the Office of Management and Budget.

Authority

The matching program may be conducted pursuant to Pub. L. 100-503, "The Computer Matching and Privacy Protection Act of 1988," as amended, and Office of Management and Budget (OMB) Circulars A-129 (Managing Federal Credit Programs) and A-70 (Policies and Guidelines for Federal Credit Programs). One of the purposes of all Executive departments and agencies—including HUD—is to implement efficient management practices for Federal credit programs. OMB Circulars A-129 and A-70 were issued under the authority of the Budget and Accounting Act of 1921, as amended; the Budget and Accounting Act of 1950, as amended; the Debt Collection Act of 1982, as amended; and, the Deficit Reduction Act of 1984, as amended.

Objectives To Be Met by the Matching Program

The matching program will allow DVA access to a system which permits prescreening of applicants for loans or loans guaranteed by the Federal Government to ascertain if the applicant is delinquent in paying a debt owed to or insured by the Government. In addition, HUD will be provided access to DVA debtor data for prescreening purposes.

Records To Be Matched

HUD will utilize its system of records entitled HUD/DEPT-2, *Accounting Records*. The debtor files for HUD programs involved are included in this system of records. HUD's debtor files contain information on borrowers and coborrowers who are currently in default (at least 90 days delinquent on their loans); or who have any outstanding claims paid during the last three years on Title II insured or guaranteed home mortgage loans; or individuals who have defaulted on Section 312 rehabilitation loans, or individuals who have had a claim paid in the last three years on a Title I loan. For the CAIVRS match, HUD/DEPT-2, System of Records, receives its program inputs from HUD/DEPT-28, Property Improvement and Manufactured (Mobile) Home Loans—Default; HUD/DEPT-32, Delinquent/Default/Assigned Temporary Mortgage Assistance Payments (TMAP) Program; and HUD/CPD-1, Rehabilitation Loans-Delinquent/Default.

The DVA will provide HUD with debtor files from two systems of records: 58VA 21/22/28, Compensation, Pension, Education and Rehabilitation Records-VA; and 55VA26, Loan Guaranty Home, Condominium and Manufactured Home Loan Applicant Records, specially Adapted Housing Applicant Records, and Vendee Loan Applicant Records-VA. HUD is maintaining DVA's records only as a ministerial action on behalf of DVA, not as a part of HUD's HUD/DEPT-2 system of records. DVA's data contain information on individuals who have defaulted on their guaranteed loans. The DVA will retain ownership and responsibility for their systems of records that they place with HUD. HUD serves only as a record location and routine use recipient for DVA's data.

Notice Procedures

As a condition of matching, HUD has made modifications to the loan application forms for the participating programs to expand the Privacy Act statements on the individual application forms in the notation "that the information provided by the applicant can be used for computer matching purposes and to collect debts owed to the Federal government." Any deficiencies as to direct notice procedures to the individual for the matching program are cured by the indirect or constructive notice that will be afforded to the subjects when the public notice of the proposed match is published by HUD in the Federal Register as required by subsection (e)(12) of the Privacy Act.

Categories of Records/Individuals Involved

The debtor records include these data elements: SSN, claim number, program code, and indication of indebtedness. Categories or records include: Records of claims and defaults, repayment agreements, credit reports, financial statements, and records of foreclosures. Categories of individuals include: Former mortgagors and purchasers of HUD-owned properties manufactured (mobile) home and home improvement loan debtors who are delinquent or in default on their loans, and rehabilitation loan debtors who are delinquent or in default on their loans.

Period of the Match

Matching will begin at least 40 days from the date copies of the signed (by both Data Integrity Boards) are sent to both Houses of Congress or at least 30 days from the date this Notice is published in the **Federal Register**, whichever is later, providing no

comments are received which could result in a contrary determination.

Issued at Washington, DC February 6, 1995.
