

Committee on Government Operations of the House of Representatives, the Committee on Governmental Affairs of the Senate, and the Office of Management and Budget.

#### Authority

The matching program may be conducted pursuant to Pub. L. 100-503, "The Computer Matching and Privacy Protection Act of 1988," as amended, and Office of Management and Budget (OMB) Circulars A-129 (Managing Federal Credit Programs) and A-70 (Policies and Guidelines for Federal Credit Programs). One of the purposes of all Executive departments and agencies—including HUD—is to implement efficient management practices for Federal credit programs. OMB Circulars A-129 and A-70 were issued under the authority of the Budget and Accounting Act of 1921, as amended; the Budget and Accounting Act of 1950, as amended; the Debt Collection Act of 1982, as amended; and, the Deficit Reduction Act of 1984, as amended.

#### Objectives To Be Met by the Matching Program

The matching program will allow DVA access to a system which permits prescreening of applicants for loans or loans guaranteed by the Federal Government to ascertain if the applicant is delinquent in paying a debt owed to or insured by the Government. In addition, HUD will be provided access to DVA debtor data for prescreening purposes.

#### Records To Be Matched

HUD will utilize its system of records entitled HUD/DEPT-2, *Accounting Records*. The debtor files for HUD programs involved are included in this system of records. HUD's debtor files contain information on borrowers and coborrowers who are currently in default (at least 90 days delinquent on their loans); or who have any outstanding claims paid during the last three years on Title II insured or guaranteed home mortgage loans; or individuals who have defaulted on Section 312 rehabilitation loans, or individuals who have had a claim paid in the last three years on a Title I loan. For the CAIVRS match, HUD/DEPT-2, System of Records, receives its program inputs from HUD/DEPT-28, Property Improvement and Manufactured (Mobile) Home Loans—Default; HUD/DEPT-32, Delinquent/Default/Assigned Temporary Mortgage Assistance Payments (TMAP) Program; and HUD/CPD-1, Rehabilitation Loans-Delinquent/Default.

The DVA will provide HUD with debtor files from two systems of records: 58VA 21/22/28, Compensation, Pension, Education and Rehabilitation Records-VA; and 55VA26, Loan Guaranty Home, Condominium and Manufactured Home Loan Applicant Records, specially Adapted Housing Applicant Records, and Vendee Loan Applicant Records-VA. HUD is maintaining DVA's records only as a ministerial action on behalf of DVA, not as a part of HUD's HUD/DEPT-2 system of records. DVA's data contain information on individuals who have defaulted on their guaranteed loans. The DVA will retain ownership and responsibility for their systems of records that they place with HUD. HUD serves only as a record location and routine use recipient for DVA's data.

#### Notice Procedures

As a condition of matching, HUD has made modifications to the loan application forms for the participating programs to expand the Privacy Act statements on the individual application forms in the notation "that the information provided by the applicant can be used for computer matching purposes and to collect debts owed to the Federal government." Any deficiencies as to direct notice procedures to the individual for the matching program are cured by the indirect or constructive notice that will be afforded to the subjects when the public notice of the proposed match is published by HUD in the Federal Register as required by subsection (e)(12) of the Privacy Act.

#### Categories of Records/Individuals Involved

The debtor records include these data elements: SSN, claim number, program code, and indication of indebtedness. Categories or records include: Records of claims and defaults, repayment agreements, credit reports, financial statements, and records of foreclosures. Categories of individuals include: Former mortgagors and purchasers of HUD-owned properties manufactured (mobile) home and home improvement loan debtors who are delinquent or in default on their loans, and rehabilitation loan debtors who are delinquent or in default on their loans.

#### Period of the Match

Matching will begin at least 40 days from the date copies of the signed (by both Data Integrity Boards) are sent to both Houses of Congress or at least 30 days from the date this Notice is published in the **Federal Register**, whichever is later, providing no

comments are received which could result in a contrary determination.

Issued at Washington, DC February 6, 1995.
