

[Docket No. 50-213]

Connecticut Yankee Atomic Power Co.; Notice of Issuance of Amendment to Facility Operating License

The U.S. Nuclear Regulatory Commission (Commission) has issued Amendment No. 182 to Facility Operating License No. DPR-61 issued to Connecticut Yankee Atomic Power Company (the licensee), which revised the Technical Specifications for operation of the Haddam Neck Plant located in Middlesex County, Connecticut. The amendment is effective as of the date of issuance, to be implemented within 30 days.

The amendment revises Technical Specification 3/4.4.9, "Pressure/Temperature Limits, Reactor Coolant System," Figures 3.4-3, 4, and 5 and the associated Bases section. The amendment replaces these TS figures as a result of reanalyses in response to NRC Information Notice 93-58, "Nonconservatism in Low Temperature Overpressurization Protection for Pressurized Water Reactors."

The application for the amendment complies with the standards and requirements of the Atomic Energy Act of 1954, as amended (the Act), and the Commission's rules and regulations. The Commission has made appropriate findings as required by the Act and the Commission's rules and regulations in 10 CFR Chapter I, which are set forth in the license amendment.

Notice of Consideration of Issuance of Amendment and Opportunity for Hearing in connection with this action was published in the **Federal Register** on May 16, 1994 (59 FR 25507). No request for a hearing or petition for leave to intervene was filed following this notice.

The Commission has prepared an Environmental Assessment related to the action and has determined not to prepare an environmental impact statement. Based upon the environmental assessment, the Commission has concluded that the issuance of this amendment will not have a significant effect on the quality of the human environment (60 FR 7588).

For further details with respect to the action see (1) the application for amendment dated April 7, 1994, as supplemented November 4, 1994, (2) Amendment No. 182 to License No. DPR-61, (3) the Commission's related Safety Evaluation, and (4) the Commission's Environmental Assessment. All of these items are available for public inspection at the Commission's Public Document Room, the Gelman Building, 2120 L Street

NW., Washington, DC, and at the local public document room located at the Russell Library, 123 Broad Street, Middletown, CT 06457.

Dated at Rockville, Maryland, this 16th day of February 1995.

For the Nuclear Regulatory Commission.

Alan B. Wang,

Project Manager, Project Directorate I-4, Division of Reactor Projects-I/II, Office of Nuclear Reactor Regulation.

RESOLUTION TRUST CORPORATION

Coastal Barrier Improvement Act; Property Availability; Port Adventure, Trinity County, TX, Pinwah Pines, Polk County, TX

AGENCY: Resolution Trust Corporation.

ACTION: Notice.

SUMMARY: Notice is hereby given that the properties known as Port Adventure, located near the City of Sebastopol, Trinity County, Texas, and Pinwah Pines, located near the City of Livingston, Polk County, Texas, are affected by Section 10 of the Coastal Barrier Improvement Act of 1990 as specified below.

DATES: Written notices of serious interest to purchase or effect other transfer of all or any portion of these properties may be mailed or faxed to the RTC until May 25, 1995.

ADDRESSES: Copies of detailed descriptions of these properties,

including maps, can be obtained from or are available for inspection by contacting the following person: Mr. Steven Reid, Resolution Trust Corporation, Dallas Field Office, 3500 Maple Avenue, Reverchon Plaza, Suite 300, Dallas, TX 75219, (214) 443-4738; Fax (214) 443-6574.

SUPPLEMENTARY INFORMATION: The Port Adventure property is located on Route 2, two miles east of Sebastopol, Texas, and accessible on the southern side from FM 356. The site consists of approximately 284.8 acres of mostly undeveloped land with a campground and community activity facilities. The Port Adventure property contains habitat for Federally-listed endangered species and the western portion of the site is adjacent to a small inlet of Lake Livingston which is managed by the Trinity River Authority for natural resource conservation and recreational purposes.

The Pinwah Pines property is located southeast of Onalaska and northwest of Livingston on US-190, Polk County, Texas. The site consists of approximately 97 acres of undeveloped land with rolling terrain and water frontage on the northeast side of Lake Livingston. The Pinwah Pines property contains habitat for Federally-listed endangered species and the site is contiguous with Lake Livingston which is managed by the Trinity River Authority for natural resource conservation and recreational purposes. These properties are covered property within the meaning of Section 10 of the Coastal Barrier Improvement Act of 1990, P.L. 101-591 (12 U.S.C. 1441a-3).

Title to the Pinwah Pines property is vested in First Texas Equities, Inc., a subsidiary of Jasper Federal Savings and Loan, in Receivership, and is subject to claims asserted in that matter styled "First Texas Equities, Inc. v. Neil Chain," pending under Cause No. 11,933 in the 258th Judicial District Court of Polk County, Texas, and that notice of Lis Pendens regarding said matter, dated May 24, 1991, and recorded May 28, 1991, in Volume 807, Page 653 of the Official Records of Polk County, Texas.

Written notice of serious interest in the purchase or other transfer of all or any portion of these properties must be received on or before May 25, 1995 by the Resolution Trust Corporation at the appropriate address stated above.

Those entities eligible to submit written notices of serious interest are:

1. Agencies or entities of the Federal government;
2. Agencies or entities of State or local government; and

3. "Qualified organizations" pursuant to section 170(h)(3) of the Internal Revenue Code of 1986 (26 U.S.C. 170(h)(3)).

Written notices of serious interest must be submitted in the following form:

NOTICE OF SERIOUS INTEREST

RE: [insert name of property]

Federal Register Publication Date: _____
[insert Federal Register publication date]

1. Entity name.
2. Declaration of eligibility to submit Notice under criteria set forth in the Coastal Barrier Improvement Act of 1990, P.L. 101-591, section 10(b)(2), (12 U.S.C. 1441a-3(b)(2)), including, for qualified organizations, a determination letter from the United States Internal Revenue Service regarding the organization's status under section 170(h)(3) of the Internal Revenue Code of 1986 (26 U.S.C. 170(h)(3)).

3. Brief description of proposed terms of purchase or other offer for all or any portion of the property (e.g., price, method of financing, expected closing date, etc.).

4. Declaration of entity that it intends to use the property for wildlife refuge, sanctuary, open space, recreational, historical, cultural, or natural resource conservation purposes (12 U.S.C. 1441a-3(b)(4)), as provided in a clear written description of the purpose(s) to which the property will be put and the location and acreage of the area covered by each purpose(s) including a declaration of entity that it will accept the placement, by the RTC, of an easement or deed restriction on the property consistent with its intended conservation use(s) as stated in its notice of serious interest.

5. Authorized Representative (Name/Address/Telephone/Fax).

List of Subjects

Environmental protection.

Dated: February 17, 1995.

Resolution Trust Corporation.

William J. Tricarico,

Assistant Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-35392; International Series Release No. 786; File No. SR-ISCC-94-6]

Self-Regulatory Organizations; International Securities Clearing Corporation; Order Granting Approval of Proposed Rule Change Relating to the Global Clearance Networking System

February 16, 1995.

On December 17, 1994, International Securities Clearing Corporation ("ISCC") filed with the Securities and

Exchange Commission ("Commission") a proposed rule change pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act").¹ The Commission published notice of the proposed rule change in the **Federal Register** on January 18, 1995.² No comments have been received on the notice. As discussed below, the Commission is approving the proposed rule change.

I. Description

Pursuant to ISCC's Rule 50, ISCC has established a foreign clearing, settlement, and custody service known as the Global Clearance Networking ("GCN") service. Currently, Citibank, N.A. is the sole provider of GCN services. The proposed rule change adds two additional GCN service providers: Standard Bank of South Africa ("Standard") and Westpac Custodian Nominees Limited of Australia ("Westpac").³ Standard will offer to ISCC members clearance, settlement, and custody services in South Africa.⁴ Westpac will offer to ISCC members clearance, settlement, and custody services in Australia.⁵ In order to obtain access to Standard's services or Westpac's services, ISCC members will need to enter into individual agreements with Standard or Westpac.

Both Standard and Westpac have entered into an agreement with ISCC pursuant to which they agree to provide access to clearing, settlement, and custody services to eligible GCN participants at reduced prices. ISCC has not provided any volume guarantees to either of these banks, and each of the banks are responsible for collection of fees directly from the participants. The

¹ 15 U.S.C. 78s(b)(1) (1988).

² Securities Exchange Act Release No. 35212, International Series Release No. 767 (January 10, 1995), 60 FR 3687.

³ A steering committee of GCN participants working with ISCC selected Standard and Westpac to become GCN service providers.

⁴ Standard was established in 1862. Standard's Securities Services Division provides comprehensive services to over three hundred foreign banks, stockbrokers, and custodian accounts. Standard also is positioned through their subsidiary, Stanbic Bank, to provide clearance and settlement services in other southern and central African countries. ISCC has informed the Commission that Standard meets the requirements under Rule 17f-5 under the Investment Company Act of 1940 to be an eligible foreign custodian. Standard currently manages in excess of 30 billion in U.S. dollars.

⁵ Westpac was established in 1944. Westpac currently provides custodial and securities settlement services to over 500 local and international clients. ISCC has informed the Commission that Westpac is qualified as an eligible foreign custodian under Rule 17f-5 under the Investment Company Act of 1940. Westpac manages over 50.2 billion in Australian dollars in assets under custody.

agreements may be terminated by mutual agreement of the parties with ninety days prior notice.

The proposed rule change also modifies the procedures for using the GCN service contained in Addendum E to ISCC's rules. Currently, participants can submit data to ISCC through their office computer's central processing unit ("CPU") or any personal computer ("PC") connection using an ISCC universal trade record ("UTR") format. The proposal allows ISCC also to accept data submitted via S.W.I.F.T.⁶ and to accept data in ISO 7775 format.⁷ If the data is not received in ISO 7775 format, ISCC will convert the data into this format for transmission to the service provider.

Data submitted via PC or CPU is routed through ISCC's Datatrak system to validate the sender's identity against ISCC's masterfile prior to the validation and edit process.⁸ Data submitted via S.W.I.F.T. will go directly to the validation and edit process.⁹ Information that does not pass the validation or edit process will be rejected, and the participant will be required to resubmit the data.

Data will be routed to the service provider using the method required by the service provider. In general, ISCC will receive confirmation that the data has been received by the service provider. If the data is sent using S.W.I.F.T., ISCC only will receive confirmation that the data was transmitted.¹⁰ If the service provider is unable to process the data, the service provider will contact the participant directly. Each day, the service provider will provide reports on behalf of the participants' accounts to ISCC which ISCC will retransmit to the participants.

II. Discussion

The Commission believes the proposed rule change is consistent with Section 17A of the Act and, therefore, is

⁶ The Society for Worldwide Interbank Financial Telecommunication ("S.W.I.F.T.") operates a secure data communication and processing system which enables thousands of financial institutions in more than 100 countries to communicate with each other 24 hours a day and facilitates the sending in excess of 500 million messages annually.

⁷ The International Organization for Standardization ("ISO") was founded in 1949 to promote standards worldwide. ISO 7775, the standard for international securities messages, was developed in close cooperation with S.W.I.F.T. It was first published in 1984. S.W.I.F.T. has assumed responsibility for maintenance of the standard.

⁸ Currently, participants receive a confirmation that ISCC has received the data. The proposal eliminates the sending of the confirmation.

⁹ S.W.I.F.T. automatically verifies the identity of the sending party.

¹⁰ Additionally, S.W.I.F.T., instead of ISCC, will verify the number of records transmitted.
