

Nature of Requirement: The HOME regulations at 24 CFR 92.254 state that for housing to qualify as affordable housing for homeownership, its purchase price and/or after rehabilitation value cannot exceed 95 percent of the median purchase price for single family housing for the jurisdiction as determined by HUD. If the jurisdiction believes the limits determined by HUD do not accurately reflect 95 percent of the median purchase price, the regulation provides that it may appeal the limits in accordance with 24 CFR 203.28(b).

Granted By: Andrew Cuomo, Assistant Secretary for Community Planning & Development.

Date Granted: February 22, 1994.

Reason Waived: The HUD Field Office presented data for single family home sales that was determined by the Assistant Secretary to be a reasonable and accurate representation of local market conditions and, therefore, the HOME purchase price/value limits were revised upward for San Benito County.

45. Regulation: 24 CFR 511.11(a).

Nature of Requirement: The City of Phoenix Arizona is requesting to repay its line of credit less than the amount drawn down for the Willow Ridge Apartments. When the project was 50 percent complete, the owners defaulted on the first mortgage which resulted in foreclosure by the lender. The City had drawn down \$70,264 and is requesting that HUD accept \$60,281.97, the amount in escrow, as the amount that it reimburses its Rental Rehabilitation line of credit for this project.

Granted By: Andrew Cuomo, Assistant Secretary for Community Planning & Development.

Date Granted: June 17, 1994.

Reason Waived: HUD accepted the amount on the basis that the rehabilitation was substantially complete, low-income residents of the project and the neighborhood benefited with a relatively minimal amount of Rental Rehabilitation funds. Not waiving this requirement would adversely affect the purposes of the Rental Rehabilitation Program and would place hardship on the city.

46. Regulation: 24 CFR 570.466(c)(3)(i).

Project/Activity: An amendment to the UDAG Grant Agreement awarded to the City of Albuquerque.

Nature of Requirement: Jobs must be created if UDAG monies are used to fund a specific project.

Date Granted: July 8, 1994.

Granted By: Andrew Cuomo, Assistant Secretary for Community Planning & Development.

Reasons Waived: HUD determined that without the waiver to the regulations, the project developer would lose the business rationale for making a partial repayment of the UDAG loan thus causing and perpetuating undue hardship on the pocket of poverty residents, the beneficiaries of these funds.
