SUPPLEMENTARY INFORMATION: This land is being offered by direct sale to the adjacent landowners, who through no fault of their own believed the land to be theirs when they purchased the adjoining private land. Selling these parcels will alleviate encroachment problems and resolve title problems for the landowners. These lands have been inspected and found prospectively valuable for geothermal resources. The geothermal resources have been appraised for a fair market value of \$1.50 per acre. Acceptance of the sale offer will constitute an application for conveyance of the mineral estate. A separate non-refundable fee of \$50.00 will be required from each of the purchasers, plus \$1.50 per acre, for conveyance of the mineral interests.
