Diamond Tool and Horseshoe Co; Duluth, MN; Notice of Affirmative Determination Regarding Application for Reconsideration

On February 8, 1995, after being granted a filing extension, the workers and the Diamond Tool Directly Affiliated Labor Union (DALU) Local 18650 AFL-CIO requested administrative reconsideration of the

Department's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance for workers at the subject firm. The Department's Negative Determination was issued on November 28, 1994 and published in the Federal Register on December 16, 1994 (59 FR 65076).

The workers submitted an additional list of customers who reported increased imports in the relevant period.

Conclusion

After careful review of the application, I conclude that the claim is

of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, D.C., this 14th day of February 1995.

Victor J. Trunzo,
Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.
